headed to college and then pro ball and she would be by my side where she belonged Until one day she disappeared without a word The love of my life my best friend was suddenly gone vanished evaporated into thin air Almost as if she were never even here Now over a year later at Brooks College in Georgia she s back I want vengeance for her leaving me so callously But one look into her stormy blue eyes and I m enamored yet again But she s keeping secrets Pushing me away so that they remain buried in the past She s forgetting one thing though when it comes to her I ll stop at nothing She can t keep me at arm s length forever After all she is mine This is a complete stand alone in the Brooks University series Second Chance Sports Romance *Love's Second Chance* Lisa Smith,2023-09-08 In the enchanting town of Willowbrook where every season holds its own magic a timeless love story unfolds Sarah and Daniel brought together by fate and the allure of a small town forge a love so enduring that it becomes the cornerstone of their family s legacy As they journey through the seasons of life experiencing both joy and adversity they raise their children and share their stories intertwining their love story with the very essence of Willowbrook The town adorned with a lush botanical garden a welcoming town square and a community brimming with warmth plays a pivotal role in their lives Their children Emily Lily and Matthew grow up hearing tales of Willowbrook s enchantment and the values of love community and storytelling Guided by the enduring love and wisdom passed down by their parents they each find their own paths in life However it s the grandchildren Ethan Olivia James and Lily who inherit the responsibility of carrying forward the family s legacy Together they embark on a mission to establish a community center dedicated to love community and storytelling a tribute to the everlasting magic of Willowbrook and the rich history of their family Love s Second Chance is a heartwarming narrative that beautifully weaves the threads of a family and a town where love transcends time and place and the circle of love remains unbroken It s a story of enduring love the opportunities for new beginnings and the profound impact of community that will captivate your heart and remind you of the enduring allure of small towns and the bonds of family that inspire generations *Reckless to Love You* J Saman,2021-01-04 Second chances don t always come easy even when you re determined to get them I let her slip through my fingers No that s a lie I was reckless and pushed her away I was never supposed to fall for her my tutor my best friend My fantasy I tried to stay away I failed Then we graduated and everything changed All I needed was a step back a moment to breathe But by the time I came up for air she was in the arms of another man Four years later everything is different And when I see her again I remember why I should have never let her go in the first place It started on day one New school New life And there he was the boy I grew up with walking up the steps of my very first class Except now the boy from my memories was gone and his place was an Adonis of a man Even though I knew we were doomed from the start it didn t take much for me to fall for him And when you find something that perfect you don t second guess it Until it ends Four years later he s back Steamrolling through my life like he never broke my heart to begin with But this time I m older wiser and know that second chances are only the stuff of fairy tales If you re looking for EXPLOSIVE CHEMISTRY soul mate deep love and tons of feels this is the
