Loving Brand:

Brand Love is not Enough Max Blackston, 2018-03-15 How would you feel about a bank that handled all of your financial needs efficiently but made you feel like a dummy In a relationship between two people what the other person thinks of you or what you believe they think of you exerts great influence on the quality of your relationship The same is true for your relationship with brands In this trailblazing book Blackston extends his theory on consumer brand relationships introduced in the 1990s He introduces a new construct called brand s attitude which complements the idea of brand image and introduces a typology of consumer relationships that is richer and more varied than the familiar concept of brand love This construct describes more fully the two way street that exists between consumers and brands and fills a crucial gap in traditional branding literature in explaining consumers brand purchasing and usage behavior Drawing on numerous actual examples and cases from a variety of different industries and supported by 30 years of consumer data *Brand Love is not Enough* should be on the shelf of any serious marketer or student of branding

The Righteous Brand Max Blackston, 2025-04-29 Bringing order to the chaos of modern brand marketing the second edition of *Brand Love Is Not Enough* combines an intuitive model of how consumers relate to brands with an up to the moment analysis of how brands are both victims and players in today s raging culture wars Brand management now has to reach beyond traditional marketing objectives in order to encompass identity politics and corporate purpose But with no grounding or guidance marketers are swinging wildly from virtue signaling to woke washing and in the process brands are being damaged and careers brought to an abrupt end Uniquely this book offers not only updated case studies and content relating to Max Blackston s respected Consumer Brand Relationships model but goes on to show how an extension of the Brand Relationship concept to include the ethical moral and political values of brands as well as their brand images provides the tools for managing brands in this new environment This new set of Brands Moral Relationships allows a brand to embody the values of diverse groups of consumers even strongly contrasting ones and avoid becoming marooned in an identity defined positioning This book besides being essential reading for practitioners students and researchers in marketing advertising and market research provides fascinating insights for anyone who takes an interest in the brands they choose or choose not to buy

Navy Grooms Debbie Macomber, 2018-05-29 Navy Brat Erin MacNamara has one rule never fall for a navy man But from the pulse stopping moment her eyes meet Lieutenant Brandon Davis across a crowded lounge Erin knows life will never be the same Sexy tender and strong Brandon is all she'd ever dreamed of in a man but he's also navy and as a navy brat from way back she knows better than to give her heart to a seafaring man Navy Woman Busy attorney Catherine Fredrickson loves her job at a submarine base but her new boss Royce Nyland has her spirits sinking fast The icy single dad is distant demanding and incredibly attractive And though he initially keeps her at arm's length together they brew a stormy passion that is impossible to deny Though the laws of the sea deem naval fraternizing strictly taboo how long can they resist romance

One Wild Night Barbara Dawson Smith, 2003-09-15 New York Times Bestselling author Barbara Dawson Smith returns with another enchanting unforgettable novel featuring the beloved Kenyon family One Wild Night I have always taken pride in my bad reputation Polite society viewed me as depraved and utterly dissolute for I was a disciple of passion Pleasure was my hallmark women my pastime That is before the incomparable Lady Charlotte Quinton disrupted my life again Due to a scandal of her own making she had been banished from home for five years Apparently she decided that a life of boring respectability was the key to her happiness We might have continued down our divergent paths if not for a vicious attack on our families Tracking a dangerous criminal occupied my time but the tart tongued spinster Lady Charlotte occupied my mind and my desires Certainly no other woman in London was immune to my charms Yet the more Charlotte spurned me the more I vowed to have her After all I can resist anything but temptation The Memoirs of A Rake by Brand Villiers fifth Earl of Faversham
