Winterholler,2012      **It's All about LOVE** Brigitte Bloemen,Marina Dobler,Miriam Lohr,Sonja Winterholler,2010 A lot has been written about Michael Jackson His musical genius has been analyzed his life has been told in ever so many versions his persona has created reactions from deep admiration to hate But there is one thing one big topic that played such a huge role in Michael s life and career but still has always been neglected his relationship to his fans This very special bond that existed between Michael and his fans around the world generated stories that have never been told before and shows a facet of Michael that the general public is not even aware of It s all about L O V E is a book that contains stories and poems that no journalist no biographer and no editor in this world could ever write about Michael Jackson It not only shows the immense inspiration Michael was to his fans but also includes true stories of fans meeting Michael backstage right before his concert or on the set of In the closet talking to Michael on the phone giving an artwork presentation to him having a nightly conversation with him or even visiting Michael at home in Neverland These are stories that only his fans can tell May this book help to keep his memory alive for many generations of fans that will follow Not of Michael Jackson the mega star the Moonwalker or King of Pop just of Michael the man who so self sacrificingly tried to show the world that it is all about L O V E

**A Life for L.O.V.E.** Brigitte Bloemen,Marina Dobler,Miriam Lohr,2013 Michael Jackson is one of the biggest legends of all time The whole world celebrates his musical legacy and groundbreaking achievements in the entertainment business Yet little is known about the fact that he also broke records with his charitable accomplishments and used his tremendous popularity influence and amazing success to call attention to social and political problems A life for L O V E is the first book that exclusively concentrates on Michael Jackson s humanitarian achievements It contains a potpourri of stories written by people who knew him were his friends worked for him or who themselves received the singer s help and encouragement They give first hand accounts of his concern and care for other human beings animals and the world This collection of true stories from around the world paints a personal portrait and a vivid picture of a man whose declared goal it was to heal the world and who started with the man in the mirror by showing the utmost respect to fellow human beings With his message he inspired millions to follow his cause To join the line of those keeping Michael Jackson s message alive all proceeds from this book are being donated to charity May this book inspire even more people to follow his lead and to do their share to make this world a better place
