

A romantic couple is shown from the chest up, embracing and looking down at each other. The woman has long blonde hair and is wearing a light blue shirt. The man has dark hair and is wearing a dark jacket. They are standing in front of a blurred Parisian skyline at sunset, with the Eiffel Tower visible in the background. The scene is bathed in warm, golden light.

Loving Someone More:

Loving Someone Gay Donald H. Clark, 2009 For more than three decades clinical psychologist Clark has been speaking to the hearts and minds of gay people their families friends teachers and helpers With this latest updated edition he shines a clear light into the 21st century

I Love Me More Holly Hubbard, 2018-09-18 I Love Me More takes you through the journey of 7 different woman as they find their true path to happiness These ladies survive tremendous hardships and heart break to achieve the lives of their dreams Love will conquer all And that is especially true for the love of oneself

On Love and Charity Saint Thomas Aquinas, 2008-07 Among the great works of Thomas Aquinas the Commentary on the Sentences of Peter Lombard has suffered almost total neglect among translators Such neglect is surprising considering that the massive Commentary more than 4 000 pages in the last printed edition is not only Aquinas s first systematic engagement with all the philosophical and theological topics on which he expended his energy over the span of a short career but is also characterized by an exuberance and elaborateness seldom found in his subsequent writings Although Chenu had already drawn attention decades ago to the importance of studying this youthful tour de force for a fuller understanding of Thomas s more mature work the Commentary on the Sentences has remained a closed book for many modern students of Thomistic and medieval thought because of its relative inaccessibility in English or in Latin The present volume containing all the major texts on love and charity makes available what is by far the most extensive translation ever to be made from the Commentary with the added benefit that the better part of the translation is based on the as yet unpublished critical edition of the Leonine Commission The collection of texts from all four books has a tight thematic coherence that makes it invaluable to students of Thomas s moral philosophy moral theology and philosophical theology In addition the inclusion of parallel texts from Aquinas s first Parisian Commentary as well as from his second Roman attempt at a commentary the recently rediscovered *Lectura Romana* makes this edition all the more valuable for those who wish to track the internal development of Thomas s thinking on these matters The new availability of so many rich passages from the Commentary on the Sentences will encourage and facilitate use of a magnificent resource that deserves to be better known The printed volume is supplemented by a web based document containing a fuller introduction webnotes and a bibliography To reach this supplementary information [click here](#)

PRAISE FOR THE BOOK T he present volume contains by far the most extensive English translation from the *Scriptum* to date The translators of *On Love and Charity* have aimed to give a translation which is neither too literal nor too liberal trying to find the golden mean between an unintelligibly Latinised or an enjoyable but unfaithful English version This
