Gerard Jerry Egan,2011-12-27 There are awesome and powerful creative forces that can be fully tapped that will absolutely unleash our dreams and hopes transforming them into a desired reality or these very same forces will send us into the deepest darkest Hell we have ever known If a person fails to understand that they have a huge responsibility to take full possession and control of this great creative power then that failure to take this responsibility will always lead to these forces taking control of the person in an undesirable destructive and potentially deadly manner In other words opportunities and temptations to use drugs or alcohol will present themselves as a direct result of failing to take control of these forces or misusing their power All addictions are a manifestation caused by the poor or improper use of these forces and powers The very Powers that govern the ability for anyone to accomplish anything in their lives for their good are the very same powers that can and will undermine and destroy those efforts This book will give you the essential Eleven Powers and Eleven Arts that will enable you to change your life The use of these Powers and Arts will enable you to take full control of not only your addiction but provide endless opportunities to create and design an entire new Destiny Addicts and alcoholics have inadvertently mastered the principles of success and use those very same concepts to assure their own failure and destruction By forcing yourself to do what you dont want to do enables you to gain hold of and grasp these powerful forces and turn them in the direction of success instead of failure Teach yourself and learn to direct the awesome creative forces within you and learn to turn your Possibilities into Probabilities    **You're Doing Great! (And Other Lies Alcohol Told Me)** Dustin Dunbar,2024-01-09 Everything you know about alcohol is a lie Dustin Dunbar had it all A beautiful wife two sweet baby girls a degree in psychology and properties around the world the building blocks of a nascent real estate empire All the while he happily believed every lie alcohol told him Real men drink One drink won t kill you You re the life of the party You can t stop He believed these lies and many others until it was too late Because of his addiction he risked everything he valued most and nearly lost everyone he cared for until he started to figure out that most of what we experience with alcohol is completely fabricated a big lie packaged with bright lights and big names to distract us from the truth Dunbar calls this non reality the alcohol matrix and it took him years to break out of it and finally start enjoying a life free of alcohol addiction Just as Holly Whitaker offered women a radical path to sobriety in her New York Times bestselling *Quit Like a Woman*
