## Loving Gods Way:

**Loving God'S Way** Klaas H Baloyi,2016-02-29 Love is not an expression but a powerful act to be demonstrated by those who choose to engage in or share it Society has socialized people into believing love as something they do not have control over Love continues to be viewed as a sudden occurrence that ambushes those who share it without them giving a deep thought of what they are engaging themselves into As the phrase falling in love connotes people have taken it for what it sounds on face value than an expressive phrase it actually is Love cannot be a feeling but a choice It is a conscious decision that one takes at a particular point This book therefore seeks to demystify how love is not a feeling but a decision Yes True love does exist For one to experience it it is important to understand its essence and how it unfolds Gods philosophy of love provides a basis from which to understand and experience the beauty of love That love which regards not of its own but of the other Love is a peculiar partnership which neither anticipates nor forces a contribution of the other partner Engaging in a love relationship however can set you on a path that determines whether you will experience heaven or hell on earth

True Love Ignited Dawn Colby,2013-04 In many times of my life I have felt like one of Jesus followers the one like Mary who sat at Jesus feet and listened to his teaching and Jeremiah the weeping prophet who prayed for the nation community and families Scriptures in the Bible are like food to me I can t get enough and I look for many scriptures that speak to the depth of my heart always falling in love with more than one but having the special one come back to me over and over again My two children are more forgiving when I need grace and are also the ones who hold me up when I need encouragement I have never wanted to be more than a wife and a mother because it would be a great accomplishment to hear my children when they are grown to rise up and call me blessed For many years this has been my job and I have taken it seriously This job is needed for Christian woman to raise men and women to change the future because they love God with all their hearts There is no greater honor
