**Loving Lily** Jennifer Smith Widmer,2021-06-30 He was only half paying attention to the lingering tourists but then his eyes caught hold of an image that immediately captured his attention He realized that she was alone and apparently so absorbed in her thoughts that she failed to notice that she was the last one inside the castle walls besides himself and a few workers He took several pictures before she suddenly sensed the quiet He lowered his camera before she saw him and was rewarded with only a slightly interested glance as she walked past the stables on her way out As he once again raised his camera and began taking pictures he found he could not entirely rid himself of the one image he had not meant to capture today but which somehow he knew he would never be able to forget Lily Manning loves her life She has a wonderful family a fulfilling job and several hobbies that keep her busy and happy Still she feels like there s something wrong with her because despite everything going for her she s still single at twenty eight When she meets Ammon Hunter she hopes she finally has a chance to feel complete But when things don t go the way she planned will she be able to overcome her despair and learn that she can love herself for who she already is Loving Lily Suzanne E. Dillon,2014-08-05 This is the story of a young woman living in the Midwest attempting to have a peaceful normal life just like anyone else Coworkers and neighbors know very little about her assuming her to be reclusive and odd They are unaware of the gruesome secrets she hides from every day There are a few however who do know her secrets but they are missing one important detail where she is currently hiding For many years she has eluded capture but her history is about to catch up with her in more ways than one Not only is the darkness of her past about to ascend her past will also become her savior Loving Lily witnesses one woman s struggle to overcome a terrible past and internal demons in order to be free to love and to live Loving Lily (Lily's Mistake) Pamela Ann,2015-04-05 The final installment of Drake and Lily s story After reuniting with Lily I had no doubt in my mind that she was the one for me But like all marriages everyone gets tested Add a dozen more problems coming from all directions it could get extremely tricky Does a man really have a limit when it came to the woman he vowed to love for the rest of his life There was one thing I learned that marriage was sacred a sacred test A test of will A test of time **Loving Lily** Oakley Beverley (author),1901 Keeping Faith Beverley Oakley,2021-07-28 Revenge is sweet until it breaks your heart Falsely accused of stealing Faith is given two choices Fend for herself on the streets of London or become indentured to Madame Chambon the ruthless proprietor of London s most exclusive brothel In order to survive Faith submits to the machinations of a mysterious benefactress and begins a new life under Madame Chambon s roof However she does not live like the other girls Rather she s taught the theory of how to entrance London s noble gentlemen with her learning in philosophy politics and art Her body is to be saved for the greatest enticement of all revenge Faith doesn t care what she has to do She lives only to fulfil a bargain that will set her free But when Faith is recruited as the muse of a talented sensitive painter whose victory in a prestigious art competition turns them both into celebrities overnight she discovers the reasons behind her

mission are very different from what she'd been led to believe. Now she is complicit in something dark and dangerous while riches, adulation and freedom are hers for the taking. But what value are these if her heart has become a slave to the honorable man she is required to destroy? Keeping Faith is book 3 in the Fair Cyprians of London series but can be read as a stand-alone. Here's what the readers say: A well-written story with realistic characters. The plot is engaging with plenty of twists and turns. It really pulls you into the book quickly and completely. Thank you for completely following this story through all of the twists and turns until it reached its natural conclusion. Engaging and charming with involved plot and romance which is to be savored as are all of this writer's works in my view. A heartfelt sizzling Victorian romance with a note of redemption that'll please even the cynics. Erythea, 1899 *Fair Cyprians of London, Books 1-3* Beverley Oakley, 2021-08-29

1878 Madame Chambon's House of ill Repute is immensely popular with London's wealthiest titled gentlemen but the women who entertain them have their own agendas to use their wit, beauty and cunning to show these men and society their true worth. SAVING GRACE: Grace Fortune trusts no one after she was betrayed by the man she once loved. Now she's the most popular Cyprian at Madame Chambon's high-class London House of Assignment, consort of aristocrats and princes. As Grace prepares for her next job as the special initiation gift procured by a mother in fashionable Mayfair for her son's twenty-first birthday, she plans her revenge. Instead, she gets the greatest surprise of her life. FORSAKING HOPE: Honour. Or her heart's desire. Two years ago Felix Lord Durham believed that Hope, the vicar's beautiful daughter, had chosen to live in Germany as a governess rather than accept the marriage proposal he'd hinted at. Why else would she have failed to appear for their final secret assignation? Why else would Felix be given snippets about her new life on the Continent from various sources? Now the divine Miss Hope is in Felix's bed, a surprise gift from his friends designed to lift his spirits and sourced from London's most exclusive brothel. Madame Chambon's. Despite feeling betrayed, Felix can't bear to lose her again but Hope Merriweather is bound to her new life by a dark secret. Having sacrificed the man she loves once already, she must choose again: Honour or her heart's desire. KEEPING FAITH: Revenge is sweet until it breaks your heart. Four years ago Faith's mysterious benefactress falsely accused her of stealing and deposited her in Madame Chambon's exclusive brothel. There Faith was to learn how to entrance London's noble gentlemen with her learning in philosophy, politics and art. Her body was to be saved for the greatest enticement of all: revenge. Faith doesn't care what she has to do. She lives only to fulfill a bargain that will set her free. But when Faith is recruited as the muse of a talented, sensitive painter whose victory in a prestigious art competition turns them both into celebrities overnight, she discovers the reasons behind her mission are very different from what she'd been led to believe. Now she is complicit in something dark and dangerous while riches, adulation and freedom are hers for the taking. But what value are these if her heart has become a slave to the man she is required to destroy? What the Readers are Saying: The writer was able to get a 7-course meal into a sandwich-sized novel. It was exciting and emotional. Sexy and romantic. This is one of the most interesting stories I've read on why a girl

might become an escort The twists and turns are breathtaking I couldn't put this down Oh my This story just makes you fall
