Just Peace Mattie J.T. Stepanek,Jimmy Carter,2009-01-01

From a New York Times bestselling author an inspirational world vision from the boy Jimmy Carter called the most remarkable person I have ever known I was touched by the depth of passion and awed by the firm resolve with which Mattie Stepanek pursued a dream that has evaded men and women throughout history What began as a casual discourse became a treasured and enlightening friendship that changed my life forever Jimmy Carter Sometimes the most important messages come from the most unlikely places Mattie J T Stepanek a thirteen year old boy

made a difference before he died with his *Heartsongs* poetry series. He continues to impact the world through *Just Peace*. This poet, best selling author, peace activist and prominent voice for the Muscular Dystrophy Association, fervently believed in world peace not just as a concept but as a reality. Mattie was working on this manuscript with Jimmy Carter when he died in June 2004. *Just Peace* explores Mattie's concept of the world and all people as a unique mosaic of gifts. War and injustice shatter the mosaic which can only be made whole again by planning and actively pursuing peace. The young visionary's essays, poetry and photographs appear throughout the book. Just as important to the book and enlightening to the reader are Mattie's many correspondences including his personal e-mails to and from former president Nobel Peace Laureate Jimmy Carter. Mattie's peace hero and role model who has written a special forward for the book. *Just Peace* is an intimate portrait of a president, a young man of hope and peace itself.
