In the era of multi-formatting picture discs, coloured vinyl, multiple remixes, funny shaped records and tiny CDs, you could lose down the back of the sofa. This book lists every format of every single, EP and album released in the UK in the 1980s by over 140 of the decade's biggest acts from ABBA to Paul Young. This fourth edition has been fully revised and expanded to include even more acts than ever before, with additional sections to cover Band Aid-style charity congregations and compilation albums from the early 80s K-Tel efforts through to the Now That's What I Call Music series and its competitors. Compiled by Steve Binnie, editor of the 80s music website Sound of the Crowd and writer, producer and co-host of the unconventional 80s chart show Off The Chart, broadcast weekly on Mad Wasp Radio.

This anthology features compact essays from past 33 1/3 authors on albums that consume them but about which they did not write. It explores often overlooked and underrated albums that may not have inspired their 33 1/3 books but have played a large part in their own musical cultivation. Questions central to the essays include: How has this album influenced your worldview? How does this album intersect with your other creative and critical pursuits? How does this album index a particular moment in cultural history? In your own personal history? Why is the album perhaps under the radar or a buried treasure? Why can't you stop listening to it? Bringing together 33 1/3's rich array of writers, critics, and scholars, this collection
