## Lucan Lives:

*The Lives of Cato the Younger from Ancient Rome to Modern America* Thomas E. Strunk, 2026-01-06 The influence of the philosopher traitor and statesman from antiquity to present day      Thomas May, Lucan's Pharsalia (1627) Emma Buckley, Edward Paleit, 2020-11-27 Lauded after his death as champion of the English Commonwealth but also derided as a most servile wit and mercenary pen the poet dramatist and historian Thomas May c 1595 1650 produced the first full translation into English of Lucan's *Bellum Civile* shortly before a ruinous civil war engulfed his own country Lucan whose epic had lamented the Roman Republic's doomed struggle to preserve liberty and inevitable enslavement to the Caesars and who was forced to commit suicide at the behest of the emperor Nero was a figure of fascination in early modern Europe May's accomplished rendition of his challenging poem marked an important moment in the history of its English reception This is a modernized edition of the first complete 1627 edition of the translation It includes prefatory materials dedications and May's own historical notes on the text Besides an introduction contextualising May's life and work and the key features of his translation it offers a full commentary to the text highlighting how May responded to contemporary editions and commentaries on Lucan and explaining points of literary political philosophical interest There is also a detailed glossary and bibliography and a set of textual notes enumerating the chief differences between the 1627 edition and the others produced in May's lifetime This volume aims not just to provide an accessible path into the dense sometimes provocative poem May shapes from Lucan but also a broader appreciation of the translator's literary merits and the role his work plays in the history of the English reception of Roman literature and culture      **Lucan's Imperial World** Laura Zientek, Mark Thorne, 2020-02-06 These new essays comprise the first collective study of Lucan and his epic poem that focuses specifically on points of contact between his text and the cultural literary and historical environments in which he lived and wrote The *Bellum Civile* Lucan's poetic narrative of the monumental civil war between Julius Caesar and Pompey Magnus explores the violent foundations of the Roman principate and the Julio-Claudian dynasty The poem composed more than a century later during the reign of Nero thus recalls the past while being very much a product of its time This volume offers innovative readings that seek to interpret Lucan's epic in terms of the contemporary politics philosophy literature rhetoric geography and cultural memory of the author's lifetime In doing so these studies illuminate how approaching Lucan and his text in light of their contemporary environments enriches our understanding of author text and context individually and in conversation with each other      **The Lives of the Twelve Caesars** Suetonius, 1914      *History of Rome and the Roman People* Victor Duruy, 1886      **Dictionary of National Biography** Leslie Stephen, 1886      **Dictionary of National Biography**, 1886      **The Dictionary of National Biography, Founded in 1882 by George Smith**, 1922      The Dictionary of National Biography Leslie Stephen, Sir Sidney Lee, 1921      **Dictionary of national biography, ed. by L.
