Benson,1928 Queen Lucia E. F. Benson,2003-08-01 There is some irony in the fact that Benson the creator of everything from plays to sober biographies is best remembered for his series of LUCIA novels delicious satires of the pretensions and foibles of provincial middle class life in Britain in the 1920s and 30s Still given Benson s droll send ups of the bitter battles waged by matrons desperate to live out their fantastical versions of upper class elegance and wit and his shrewd readings of the ways in which our longings can make us both bizarre and sometimes appealing it s very likely an irony he would have savored Queen Lucia the first in the series follows Mrs Lucas Lucia to her most intimate friends through a lengthy and often hilarious campaign to derail the career of a would be rival to the throne of cultural arbiter The plot however is less important than the pratfalls The six Lucia novels form a kind of epic portrait of striving gone mad and it s good to have them appearing once again Kirkus
