Tollefsen, 2016-04-12 The study of New Religious Movements NRMs is one of the fastest growing areas of religious studies and since the release of the first edition of The Oxford Handbook of New Religious Movements in 2003 the field has continued to expand and break new ground In this all new volume James R Lewis and Inga B T llefsen bring together established and rising scholars to address an expanded range of topics covering traditional religious studies topics such as scripture charisma and ritual while also applying new theoretical approaches to NRM topics Other chapters cover understudied topics in the field such as the developmental patterns of NRMs and subcultural considerations in the study of NRMs The first part of this book examines NRMs from a social scientific perspective particularly that of sociology In the second section the primary factors that have put the study of NRMs on the map controversy and conflict are considered The third section investigates common themes within the field of NRMs while the fourth examines the approaches that religious studies researchers have taken to NRMs As NRM Studies has grown subfields such as Esotericism New Age Studies and neo Pagan Studies have grown as distinct and individual areas of study and the final section of the book investigates these emergent fields *Hierophantic Landscapes* Richard

Leviton, 2011-09-26 The Earth is poised to make a great disclosure Its a hierophant But whats a hierophant A person who reveals the holy light But it can also be a landscape or a planet And whats the holy light It is the structure of reality and consciousness a map of the heavenly realms the engineering blueprint of Creation Some people call this imminent disclosure the Apocalypse and run for cover But that is mistaken Apocalypse means the revelation of the divine revelation It means the end of our picture of the world as we know it The world itself will be fine even better than fine Splendid Illumined The Architect of reality lays down His cards face up and you see the whole deck Here is the truth of yourself and the Earth How will this disclosure work What we call sacred sites and holy landscapes will start revealing themselves in full to us in all their geomantic and visionary richness Thats the inner patterning of their design their arrays of Light temples and subtle palaces primed for our visionary adventures and edification The Earth needs us to have these adventures and visions because thats how we keep the planet healthy Hierophantic Landscapes visits five landscapes from Norway and England to California and Mexico providing firsthand reports on the visions and adventures of a small band of geomancers as they seek to unravel the mysteries of the Earth Maybe not such a small band because along the way we encounter angels landscape devas Nature Spirits and otherworldly mentors and revel in vistas of the ancient past of the Earth when that revelation was as fresh as a sunrise as it will soon be again *Lucifer*, 1894 **Walking in Albion** Richard Leviton, 2010-04-22 FICTION Take a

visionary walk through the cosmos right here on the Earth What if you woke up one morning and realized you are the cosmos all the heavenly realms and gods and a refl ection of God Himself Herself Th at you and the Earth have the same structures of consciousness are made virtually the same Walking in Albion is an amusing passionate fi rst person answer to that It
