Lucy Sprague Mitchell The Making Of A Modern Woman:

Lucy Sprague Mitchell Joyce Antler, 1987 A biography of the woman who made pioneering changes in the education of children fought to increase women's contributions to society and founded the Bank Street College of Education The Grounding of Modern Feminism Nancy F. Cott, 1987-01-01 The time has come to define feminism it is no longer possible to ignore it The Century Magazine 1914 In this landmark addition to scholarship Nancy F Cott author of The Bonds of Womanhood offers a new interpretation of American feminism during the early decades of this century a period traditionally viewed as one in which women won the right to vote and then lost interest in feminist issues Cott argues instead that this period was a time of crisis and transition from the nineteenth century woman movement to the beginning of modern feminism Many of the issues that are central to women today says Cott were firmly articulated in the early decades of this century For example the problem of defining sexual equality so as to recognize sexual difference between men and women the ambiguous potential of a movement seeking individual freedoms for women by mobilizing sex solidarity and the tensions involved in attaining full expression in work and love are all enduring elements of feminism seized upon by women of the 1910s and 1920s First discussing how feminism was indebted to its predecessors Cott shows that increasing heterogeneity and diverse loyalties among women in the early twentieth century contradicted the premise of the nineteenth century cause of woman the singular noun symbolizing the unity of the female sex From this crisis emerged feminism championing individual variability and refuting the premise that a singular woman existed Cott focuses on the suffrage campaign milieu in which feminism arose giving particular attention to the character and role of the National Woman's Party from its militant suffrage days to its advocacy of the equal right amendment in the 1920s Against prevailing interpretations of the decline of women's political activities after 1920 Cott counterposes the swelling numbers in women's voluntary associations and their political efforts She also analyzes the pitfalls that awaited women who tried for effectiveness in the male dominated political parties She sets the controversy over the equal rights amendment in new context discussing the full dimensions of the conflict as not merely over personalities tactics or class loyalties but as a signal example of the modern problem of capturing sexual equality and sexual difference in law The book explores the irony strewn path of women who as aspiring professionals and political actors attempted to put into practice the feminist intent to replace the abstraction woman with instead the human sex This history the story of women who first claimed the name feminists builds an essential bridge between the presuffrage period and today *Learning from the Left* Julia L. Mickenberg, 2005-11-10 At the height of the Cold War dozens of radical and progressive writers illustrators editors librarians booksellers and teachers cooperated to create and disseminate children's books that challenged the status quo Learning from the Left provides the first historic overview of their work Spanning from the 1920s when both children's book publishing and American Communism were becoming significant on the American scene to the late 1960s when youth who had been raised on many of the books in this study

unequivocally rejected the values of the Cold War Learning from the Left shows how radical values and ideas that have now become mainstream including cooperation interracial friendship critical thinking the dignity of labor feminism and the history of marginalized people were communicated to children in repressive times A range of popular and critically acclaimed children's books many by former teachers and others who had been blacklisted because of their political beliefs made commonplace the ideas that McCarthyism tended to call subversive These books about history science and contemporary social conditions as well as imaginative works science fiction and popular girls mystery series were readily available to children most could be found in public and school libraries and some could even be purchased in classrooms through book clubs that catered to educational audiences Drawing upon extensive interviews archival research and hundreds of children's books published from the 1920s through the 1970s Learning from the Left offers a history of the children's book in light of the history of the history of the Left and a new perspective on the links between the Old Left of the 1930s and the New Left of the 1960s Winner of the Grace Abbott Book Prize of the Society for the History of Children and Youth *Bending the Future to Their Will* Margaret Smith Crocco, O. L. Davis Jr., 1999-10-20 This lively and thought provoking collective biography uncovers the contributions of past women educators who promoted a distinctive vision of citizenship education A distinguished group of scholars including editors Margaret Smith Crocco and O L Davis Jr consider the lives and perspectives of eleven women educators and social activists_Jane Addams Mary Sheldon Barnes Mary Ritter Beard Rachel Davis DuBois Hazel Hertzberg Alice Miel Lucy Sprague Mitchell Bessie Pierce Lucy Maynard Salmon Hilda Taba and Marion Thompson Wright_concerned over the last century with issues of difference in schools and society This volume's reconstruction of hidden history reveals the importance of these women to contemporary debate about gender pluralism and education in a democracy Characterized by views of education that were constructivist customized and transformative their lives and ideas present an alternative model to dominant conceptualizations of education_one sensitive to the demands of pluralism within civil education long before the present day debates about multiculturalism **Learning from Children** Mary E. Hauser, 2006 This is the first published biography of Caroline Pratt an innovative progressive educator who founded the City and Country School in Greenwich Village New York in 1914 It provides a feminist analysis of Pratt's life and work that adds a new dimension to our appreciation of her contributions to progressive education Learning from Children also shows how an analysis of Pratt's work can inform our understanding of current critical issues in educational policy and practice Caroline Pratt's story will enliven courses on history of education foundations of early childhood education and women's history topics Historical Dictionary of Women's Education in the United States Linda Eisenmann, 1998-07-17 The history of women's education in the United States presents a continuous effort to move from the periphery to the mainstream and this book examines both formal and informal opportunities for girls and women Through an introductory essay and nearly 250 alphabetically arranged entries this reference book examines institutions persons ideas events and movements in the history

of women's education in the United States. The volume spans the colonial era to the present, exploring settings from formal institutions such as schools and colleges to informal associations such as suffrage groups and reform organizations where women gained skills and used knowledge. A full picture of women's educational history presents their work in mainstream institutions, sex-segregated schools, and informal organizations that served as alternative educational settings. Educational history varies greatly for women of different races, classes, and ethnicities. The experience of some groups has been well documented. Thus, entries on the Seven Sisters women's colleges and the reform organizations of the Progressive Era convey wide historical detail. Other women have been studied only recently. Thus, entries on African American school founders or women teachers present considerable new information that scholars interpret against a wider context. Finally, some women's history has yet to be adequately explored. Hispanic American women and Catholic teaching sisters are discussed in entries that highlight historical questions still remaining. Each entry is written by an expert contributor and concludes with a brief bibliography. The volume closes with a timeline of women's educational history and a list of important general works for further reading.

Biographical Dictionary of Modern American Educators Shirley Ohles, Frederik Ohles, John Ramsay, 1997-10-28. Widely praised, Greenwood's *Biographical Dictionary of American Educators* (Greenwood, 1978) quickly became a standard reference work for students and scholars of American education. This new volume includes biographical sketches of more than 400 notable researchers, leaders, reformers, critics, and practitioners from all major fields of education and extends the coverage of its predecessor to the mid 20th century. Its topical range encompasses such diverse areas as psychology, music, health, measurement and evaluation, science, special education, history, and administration. It treats education at all levels, including early childhood, elementary, and secondary, higher, and adult. Most of the educators profiled were active in the 20th century, but several dozen have been included from the 19th century. A special effort has been made to include women and educators of color whose contributions have often been overlooked in the past. Each biographical sketch includes information on family background, a description of the educator's accomplishments, and a digest of the person's education and career, professional and civic service, major publications, and principal honors. Each profile ends with a list of references, and the volume closes with appendices listing birth places, states of major service, fields of work, a chronological listing of educators, and a list of important dates in American education. A comprehensive index concludes the volume. Educators are included from all fifty states and were selected from numerous suggested candidates for inclusion. Most of the educators profiled were active in the 20th century, but several dozen have been included from the 19th century. A special effort has been made to include women and educators of color whose contributions have often been overlooked in the past.

The Academic Kitchen Director and Assoc. Professor Cirge, Assoc. Dean, Graduate School, Maresi Nerad, Maresi Nerad, 1999-01-01. Presents a social history of gender stratification at the University of California at Berkeley through a combination of organizational theory and biography.

"Equally in View" Geraldine Joncich Clifford, 1995. *Working with*

Class Daniel J. Walkowitz, 1999 *Working with Class Social Workers and the Politics of Middle Class Identity* Legacy, 1990

Women and the American Experience Nancy Woloch, 1994 **Women's America** Linda K. Kerber, Jane Sherron De Hart, 1991 Featuring a mix of primary source documents articles and illustrations *Women's America Refocusing the Past* has long been an invaluable resource Now in its sixth edition the book has been extensively revised and updated to cover recent events in American women's history It provides many new selections from leading theorists and historians and restores several readings that were cut from the fifth edition Successfully classroom tested these new essays offer more material on the impact of ethnicity in American culture the roles that women have played in the creation of male dominated structures and the international dimensions of women's lives The introductory essay has been revised and the bibliography has been updated to take into account the growing body of contemporary literature in the field *Women's America* is an essential text for courses in women's history and an ideal supplement for more general survey courses on American history Book jacket

Feminist Studies, 1989 **New Books on Women and Feminism**, 1988 **America, History and Life**, 1991

Sisters in Law Virginia G. Drachman, 1998 More than any other profession women entered in the nineteenth century law was the most rigidly engendered Access to courts bar associations and law schools was controlled by men while the very act of gaining admission to practice law demanded that women reinterpret the male constructed jurisprudence that excluded them This history of women lawyers from the 1860s to the 1930s defines the contours of women's integration into the modern legal profession Nineteenth century women built a women lawyers movement through which they fought to gain entrance to law schools and bar associations joined the campaign for women suffrage and sought to balance marriage and career By the twentieth century most institutional barriers crumbled and younger women entered the law confident that equal opportunity had replaced sexual discrimination Their optimism was misplaced as many women lawyers continued to encounter discrimination faced limited opportunities for professional advancement and struggled to balance gender and professional identity Based on rich and diverse archival sources this book is the landmark study of the history of women lawyers in America **The Publishers Weekly**, 1997 Feminist Periodicals, 1989 Documentation Sur la Recherche Féministe, 1987

The Engaging World of E-book Books: A Thorough Guide Revealing the Advantages of E-book Books: A World of Ease and Flexibility E-book books, with their inherent mobility and simplicity of availability, have freed readers from the limitations of physical books. Lucy Sprague Mitchell The Making Of A Modern Woman Introduction

In today's digital age, the availability of Lucy Sprague Mitchell The Making Of A Modern Woman books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Lucy Sprague Mitchell The Making Of A Modern Woman books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Lucy Sprague Mitchell The Making Of A Modern Woman books and manuals for download is the

cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Lucy Sprague Mitchell The Making Of A Modern Woman versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Lucy Sprague Mitchell The Making Of A Modern Woman books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Lucy Sprague Mitchell The Making Of A Modern Woman books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Lucy Sprague Mitchell The Making Of A Modern Woman books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Lucy Sprague Mitchell The Making Of A Modern Woman books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Lucy Sprague Mitchell The Making Of A Modern Woman

books and manuals for download and embark on your journey of knowledge?

FAQs About Lucy Sprague Mitchell The Making Of A Modern Woman Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Lucy Sprague Mitchell The Making Of A Modern Woman is one of the best book in our library for free trial. We provide copy of Lucy Sprague Mitchell The Making Of A Modern Woman in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Lucy Sprague Mitchell The Making Of A Modern Woman. Where to download Lucy Sprague Mitchell The Making Of A Modern Woman online for free? Are you looking for Lucy Sprague Mitchell The Making Of A Modern Woman PDF? This is definitely going to save you time and cash in something you should think about.
