## **Mastering Money In Your Marriage:**

**Mastering Money in Your Marriage** Dennis Rainey, 2010-03-01 There is more at stake than your bank account. If money talks, what is it saying about your marriage? Are the two of you on the same side of money matters or are you often in disagreement? Either way, your marriage will benefit from the discussions and exercises found in this six-week study. Gather with a small group of friends and learn how spouses can manage money together. You will be challenged to establish financial priorities that you both believe in and support. Identify biblical principles for money management. Make money decisions together. *Mastering Money in Your Marriage* gives a plan for making healthy financial decisions and strengthening your relationship at the same time. You will be glad you made the investment. *Mastering Money in Your Marriage* Ron Blue, 2000. It is no secret that differences over money can cause conflict in marriages. Now readers can learn how to solve money issues and keep marriages strong. Solid biblical instruction and convenient individual workbooks make this study a necessity for married couples in small group studies, Sunday school, or anywhere. **Managing Your Money** Ron Blue, 1990-03.

*Mastering Money in Your Marriage* Ron Blue, 1993-12-01 This Bible contains over 2000 verses dealing with money. Your marriage will grow stronger as you restructure your thinking about money and discover what the Bible has to say about finances. *Mastering Money in Your Marriage* Ron Blue, 1993 This Bible contains over 2000 verses dealing with money. Most marriage books cover the three C's: communication, compromise, and consideration, but fail to address many issues critical to a healthy relationship. Family advocate Kay James calls these the things I wish I had known before I got married: advice on finances, sex, children, and dealing with the extended family. Noting that the apostle Paul exhorted older women not to inspire or counsel younger women but to teach them how to be wives to their husbands, Kay offers a lifetime's wealth of wisdom for creating an unbreakable marriage relationship. **Ministering to Twenty-First Century Families** Dennis Rainey, 2001-06-11 There is nothing traditional about the typical family of the twenty-first century, and so it follows that ministering to today's families presents an assortment of new challenges. Rainey believes that the resources needed by the church to confront and combat family problems do exist, and *Ministering to Twenty-First Century Families* is a user-friendly guide to combating the destruction of the family unit. Offering practical solutions and encouraging action, Rainey calls for a roll-up-your-sleeves approach to healing weary families. **Marriage Ministry by Design** Gary H., Aimee Woolverton, 2012-07-27 Your church or ministry will greatly benefit from the information contained within this book. Learn a practical definition for marriage in the church as well as God's design for marriage. Look at the various stages of marriage and the different forms of marriage.
