keys that accompany each study. These provide sound background, clear explanations and dependable guidance for leaders making the book accessible to both experienced and emerging Bible study leaders. Together the teaching and the ready prepared studies form a reliable guide for evangelism and discipleship through Scripture. This book stands firmly in the tradition of inductive Bible study shaped within student movements across the world. It deserves wide use among campus workers, pastors and small group leaders who seek to raise disciples and leaders grounded in the Word of God. May God use this work to draw many to Christ and to form lives shaped by Scripture. Dr Matthias Leonhard Weiss, Professor of Biblical Theology
