yuan,1971 **Chinese Writing and Calligraphy** Wendan Li,2010-05-31 Suitable for college and high school students and
those learning on their own this fully illustrated coursebook provides comprehensive instruction in the history and practical
techniques of Chinese calligraphy No previous knowledge of the language is required to follow the text or complete the
lessons The work covers three major areas 1 descriptions of Chinese characters and their components including stroke types
layout patterns and indications of sound and meaning 2 basic brush techniques and 3 the social cultural historical and
philosophical underpinnings of Chinese calligraphy all of which are crucial to understanding and appreciating this art form
Students practice brush writing as they progress from tracing to copying to free hand writing Model characters are marked
to indicate meaning and stroke order and well known model phrases are shown in various script types allowing students to
practice different calligraphic styles Beginners will find the author s advice on how to avoid common pitfalls in writing brush
strokes invaluable Chinese Writing and Calligraphy will be welcomed by both students and instructors in need of an
accessible text on learning the fundamentals of the art of writing Chinese characters Library Catalog of the Metropolitan
