**Masterworks of California Impressionism** Franchise Finance Corporation of America,Jean Stern,1987      **The Fleischer Collection** Jean Stern,James Irvine Swinden,2020      **Masterworks of California Impressionism** Thomas Gilcrease Institute of American History and Art,1988      California Impressionists Susan Landauer,Georgia Museum of Art,Irvine Museum,Atlanta Committee for the Olympic Games,1996 The years around the turn of the century were a dynamic time in American art Different and seemingly contradictory movements were evolving and the dominant style that emerged during this period was Impressionism Based in part on the broken brushwork and high keyed palette of Claude Monet it was a form especially suited to the dramatic landscape and shimmering light of California This book celebrates forty Impressionist painters who worked in California from 1900 through the beginning of the Great Depression it includes widely recognized California artists such as Maurice Braun and Guy Rose less well known artists such as Mary DeNeale Morgan and Donna Schuster and eastern painters who worked briefly in the region such as Childe Hassam and William Merritt Chase The contributors essays examine the socioeconomic forces that shaped this art movement as well as the ways in which the art reflected California s self cultivated image as a healthful sun splashed arcadia      California Impressionism William H. Gerdts,Will South,1998 Lavishly illustrated meticulously researched and gracefully written this definitive study of California s distinctive style of impressionism surveys the movement s sources abroad its most influential artists and the critical responses to the style 248 illustrations 201 in color      **Shows of Force** Timothy W. Luke,1992 It has long been considered a mark of na<sup>v</sup>et to ask of a work of art What does it say But as Timothy W Luke demonstrates in Shows of Force artwork is capable of saying plenty and much of the message resides in the way it is exhibited By critically examining the exhibition of art in contemporary American museums Luke identifies how art showings are elaborate works of theater that reveal underlying political social and economic agendas The first section Envisioning a Past Imagining the West looks at art exhibitions devoted to artworks about or from the American West Luke shows how these exhibitions displaying nineteenth and early twentieth century works by artists such as George Caleb Bingham Frederic Remington Frederic Edwin Church and Georgia O Keefe express contemporary political agendas in the way they portray the past and shape new visions of the West In Developing the Present Defining a World Luke considers artists from the post 1945 era including Ilya Kabakov Hans Haacke Sue Coe Roger Brown and Robert Longo Recent art exhibits his analysis reveals attempt to develop politically charged conceptions of the present which in turn struggle to define the changing contemporary world and art s various roles within it Luke brings to light the contradictions encoded in the exhibition of art and in doing so illuminates the political realities and cultural ideologies of the present Shows of Force offers a timely and surely controversial contribution to current discussions of the politics of exhibiting art      *Early California Impressionists* Ronald E. Walker,1993      *Culture in the American Southwest* Keith L. Bryant,2014-09-01 If the Southwest is known for its distinctive regional culture it is not only the

indigenous influences that make it so As Anglo Americans moved into the territories of the greater Southwest they brought with them a desire to reestablish the highest culture of their former homes opera painting sculpture architecture and literature But their inherited culture was altered challenged and reshaped by Native American and Hispanic peoples and a new vibrant cultural life resulted From Houston to Los Angeles from Tulsa to Tucson Keith L Bryant traces the development of high culture in the Southwest Humans create culture but in the Southwest Bryant argues the land itself has also influenced that creation Incredible light natural grandeur and a geography at once beautiful and yet brutal molded societies that sprang from unique cultural sources The peoples of the American Southwest share a regional consciousness an experience of place that has helped to create a unified but not homogenized Southwestern culture Bryant also examines a paradox of Southwestern cultural life Southwesterners take pride in their cultural distinctiveness yet they struggled to win recognition for their achievements in high culture A dynamic tension between those seeking to re create a Western European culture and those desiring one based on regional themes and resources continues to stimulate creativity Decade by decade and city by city Bryant charts the growth of cultural institutions and patronage as he describes the contributions of artists and performers and of the elites who support them Bryant focuses on the significant role women played as leaders in the formation of cultural institutions and as writers artists and musicians The text is enhanced by more than fifty photographs depicting the interplay between the people and the land and the culture that has resulted
