Leftist Color Code Conrad Riker, 101-01-01 You're not crazy, the world is. Why do people with blue hair scream about truth while destroying everything good? Why does every leftist policy backfire yet they double down with religious fervor? Why do women, especially childless urban ones, lead the charge into chaos and call it progress? This is not an accident. This is ideology armed with emotion masquerading as virtue. It's not about justice, it's about power. It's not about equality, it's about control. And it's killing the West from within. Exposes the psychological roots of leftist rage, not ideas, but infantile dependency dressed as moral.
