Illuminati Bible of Divine Light: Part two Sorin Cerin, 2021-07-10

With the appearance of my first philosophical studies but also of aphorisms I initially published the book entitled Bible of the Light and then a more complete form of the book Bible of the Light was the book entitled The Illuminati Bible so that in present to publish the full form of the Bible which I felt that it will be perfected with the help of God and which I decided to call the Illuminati Bible of Divine Light Some will wonder why I chose this name of The Illuminati Bible starting with that book published in 2014 the content of which is also in this book called the Illuminati Bible of Divine Light which in turn contains many other parts Simple Firstly because I wanted to help in Good the Karma of this World because Illuminati and Enlightenment are spoken of in negative terms and secondly because Illuminati comes from Enlightenment and true Enlightenment cannot bring the Evil nor can it be the Evil vile True Enlightenment must be based only on Good and never on bringing the Evil as the supreme Wickedness Therefore in order to improve the Karma of Mankind I show that Enlightenment does not consist in Wickedness but in combating Wickedness The enlightened ones cannot be a hidden group of people who lead humanity out of the shadows committing all sorts of evils and abuses to maintain power These people are by no means Enlightened but Dark If there really are some in such a situation then they use the term Illuminati or Enlightened falsely How just as Dark are those who dirtyly attack on the true Illuminati or Enlightened only out of obscure interests of a religious nature for fear that the Enlightened ones might open the souls of the People and show them the Way to the Truth from which some high prelates that are at the head of certain churches flee who are afraid that if the Truth would be found they will lose both their financial and their decision making power I believe that the future will belong to those truly Enlightened the true Illuminati A thing is to use Evil to bring through it Good and another is to use Evil to bring through it the Wickedness The true Enlightened and not Dark are those who understand that the Evil can only be used for Good when he can do it and the Good only for the Evil less Evil when the Good itself can lead to destruction disaster or pain The real Bad People the Dark Ones are the ones who use both Good and Evil to do as much as possible Evil and not Good Mankind must understand that the Evil and Good the God and the Devil are an Entity with two distinct characteristics an Entity that defines our True God that is our Creator Factor and Unique Incidentally Therefore in order to improve the Karma of this World we will have to pray to the Universal Consciousness formed by the Universal Pure Language That is to pray to the Divine Light of all the Worlds the Supreme God of Intelligence which to inspire our thoughts so that to use in moderation both Good and Evil for the

ultimate purpose of doing and bringing through us as much as possible Good Why didn't I let in continuation the name of the Illuminati Bible and to this new much deeper work of the Bible and call it the Illuminati Bible of Divine Light Because compared to the other book called the Illuminati Bible the Illuminati Bible of Divine Light contains in addition to the content of that book many other new chapters that appeared with the new Wisdom Collections or with the final form of the Coaxialism Sorin Cerin *A Small Treatise on the Great Virtues* André Comte-Sponville, 2002-09 Drawing on thinkers from Aristotle to Simone Weil by way of Aquinas Kant Rilke Nietzsche Spinoza and Rawls among others Comte Sponville elaborates on the qualities that constitute the essence and excellence of humankind Autobiography of a Failure Kabbir Chandhok, 2018-03-16 The book *Autobiography of a failure* is a conversation between the author and the reader about the journey of the author focusing on the positive despite of the heavy influence of the negative The title has been inspired by our Ex President Late Dr A P J Abdul Kalam's Quote Don't read success stories it will only give you a message read failure stories you will get some ideas to get success A lot can be learnt from Failures because there can be only one success story but the lessons behind the hundreds of failure stories is what prepares you for the next challenge The book tells about an epic failure of humanity in the chapter Failure to get Justice and thereby makes an attempt that may be by creating awareness this failure can be rectified and no Human should ever be treated like a Guinea pig to fill the pockets of Inhumanity The book focuses only on the positive and is a delight to read The language is easy going and can be read even by a nonreader The artwork also helps in making the book a little light as the content can get emotionally strong The book ends with a chapter called ww.kissaykahaniyan.com which is a website created by the author for telling good stories and spreading quality morals education to the masses Finally the book ends with a mini tribute to Mr Shahrukh Khan whose journey and words have inspired the author and helped him cope up with his journey so far *False Love and Other Romantic Illusions* Stan J. Katz, Aimee Liu, 1990 The romantic myths people are taught to pursue can lead them away from the truly loving relationships they want This insightful guide shows readers the mistakes made in love and how they can be corrected THE BEAUTIFUL ILLUSION OF BEING IN LOVE Adrian Gabriel Dumitru, The book *The beautiful illusion of being in love* is a collection of writings with what is love about Starting from the philosophical idea that everything we see in life is just an illusion the book is defining the concept of love in the same way But the illusion itself is also named beautiful Falling in love is an experience that any human being must see with its own soul It can be a beautiful experience an illusion or a beautiful illusion The book is more like a collection of poems but the writer is not knowing to write poetry but only essays Trying to define love in many ways the essays speak about the beautiful illusion as part of the life maybe the most important part Defining is done in a micro and macro way but the love is always seen as something very beautiful The book could be a very nice reading for the ones that are in the dreaming period of a love story or the ones that want to understand love from a philosophical point of view Enjoy it Murder in Any Degree Owen Johnson, 1913 Calmire Henry Holt, 1892 **Works**
