

A promotional poster for the Netflix movie 'Love Tricks'. The central figure is a young woman with long, straight brown hair, smiling gently at the camera. She is wearing a black leather motorcycle jacket over a dark, ribbed top. The background is a romanticized view of Paris at sunset, with the Eiffel Tower prominently visible in the upper center. The sky is a mix of orange, pink, and purple. In the bottom left corner, there is a large, detailed red rose. The overall mood is romantic and cinematic.

Love Tricks

Frederick Gard Fleay

Love Tricks:

Love's Litany Kevin Kopelson, 1994 This is an extensive analysis of the relation of erotic philosophy to homosexuality in the modern period The book focuses on homoerotic mis appropriations and subversions of homoerotic conceptions of romantic love in texts by eight authors Oscar Wilde Andre Gide Ronald Firbank Virginia Woolf Gertrude Stein Marguerite Yourcenar Mary Renault and Roland Barthes In doing so the author both positions these authors as experimental and influential erotic theorists and protests against the critical undervaluation of love as opposed to desire in the construction of sexuality as we know it

The Greek Novella in the Classical Period Sophie Trenkner, 2014-10-23 Originally published in 1958 this book examines the place of the Athenian novella in ancient literature from pre Classical literature through to tragedy comedy and rhetoric Trenkner attempts to reconstruct the novella of the Attic period from the surviving traces in other sources in order to bridge the gap between the novelle of Herodotus and the better known late Hellenistic novel This book will be of value to anyone with an interest in the genesis of the ancient Greek novel
