**H.P. Lovecraft** L. Sprague De Camp,1975    **H.P. Lovecraft** Lyon Sprague De Camp,1996    **H.P. Lovecraft** S. T. Joshi,1996 The author has gone back to primary sources to set the record straight on the leading American writer of horror fiction in this century Cover    **Lovecraft** Lyon Sprague De Camp,1975 In this biography Lovecraft s literary career his marriage and his life long habits became keys to his role as creator of American science fiction and horror stories    **H. P. Lovecraft** Author S T Joshi,2004-01-28 An authoritative biography of which dispels many of the misconceptions about H P Lovecraft    **H. P. Lovecraft:** S. T. Joshi,2018-07-25 H P Lovecraft has been the source of unending fascination since his death in 1937 He himself chronicled many aspects of his life in thousands of letters and they reveal every aspect of his actions and beliefs Born in 1890 in Providence R I he was a precocious reader and writer and also developed an early interest in science Unable to finish high school he became one of the greatest autodidacts of his time Discovering the world of amateur journalism in 1914 he began writing essays poetry and fiction The founding of the pulp magazine *Weird Tales* provided him with the opportunity to find a devoted readership for his weird tales and he became a titan in the realm of pulp fiction as his tales of the Cthulhu Mythos attracted a wider audience But he failed to find commercial success in his lifetime and his work had to be rescued from oblivion by the devoted work of his friends S T Joshi long regarded as the leading authority on Lovecraft has now written a succinct biography that focuses on the main events of Lovecraft s life as well as the central features of his work and his associations with such colleagues as August Derleth Frank Belknap Long Robert Bloch and others    **H. P. Lovecraft** Arthur S. Koki,2022-08-02 In 1962 Arthur S Koki 1937 1989 wrote a master s thesis on Lovecraft at Columbia University It is one of the most impressive and substantive academic papers on Lovecraft ever written Expanding upon an honors thesis on the same subject written at Clark University in 1960 Koki s paper is the first detailed account of Lovecraft s life written more than a decade before L Sprague de Camp s *Lovecraft A Biography* 1975 De Camp has acknowledged drawing upon Koki s thesis for much of his own work Koki is of interest in his own right Born of Albanian born parents he studied with John Unterecker a leading authority on Hart Crane at Columbia and went on to become a longtime professor at Kutztown University in Pennsylvania In his thesis he conducted extensive original research drawing upon primary documents and also conducting interviews with major figures associated with Lovecraft including Ethel Phillips Morrish Lovecraft s second cousin Wilfred B Talman Donald Wandrei and many others The result is an illuminating biography that sheds much light on Lovecraft s childhood and adolescence and speaks judiciously of his character philosophy and literary output As such it retains value even after the passage of sixty years when so much work on Lovecraft has been done Arthur S Koki is a pioneer in Lovecraft studies and his thesis deserves to be read by all devotees of the dreamer from Providence    **H.P. Lovecraft Biography: The Dark, Twisted World of The Horror Fiction Writer Who Was Recognized a Decade After His Death** Chris Dicker, Lovecraft was considered a talented writer an authority in storytelling

and a highly respected erudite a walking encyclopedia of ancient and modern knowledge His passion to horror and science fiction was dated back from his childhood where he used to have a lot of nightmares of monsters demons and fears He used them to facilitate his stories and writing later on H P Lovecraft is known as a future writer That s because Lovecraft lived quite a difficult life through severe poverty illness caused by self neglect his wife left him because of financial issues and all of this despite his talents Lovecraft was never recognized as a successful writer during his lifetime because he never published any of his work He was known only to local communities However Lovecraft was more than just a writer but a mentor to many successful horror and science fiction writers we know today Without Lovecraft people like Ramsey Campbell Neil Gaiman Robert Bloch Clive Barker and Stephen King would never be the same In fact Stephen King himself claimed that Lovecraft was his top literary influence among many others Thirty years after Lovecraft s death the writer hit the first peak of his posthumous popularity because his friends formed a publishing company of his work Critics compared Lovecraft to Edgar Allan Poe himself giving credit to his influence on the world of horror fiction decades after his actual death

Unfortunately H P Lovecraft did not enjoy any of the material abundance and fame this life has to offer despite his talents for reasons already mentioned H P Lovecraft s work was adopted and taken by tabletop game metal songs Hollywood movies where some writer s stories remained virtually unknown in mainstream for a decade The writer s stories were like some buried treasures hidden gems or a gold mine of some sort to folks on Hollywood and the entertainment industry because they were considered as interesting plots for movies However one thing will always stand out without Lovecraft the modern horror wouldn t be what it is today If you want to learn more about Lovecraft s life the father of Cthulhu Innsmouth
