Loving God:

Loving God with All You've Got Sunder Krishnan, 2008-06-20 Loving God with All You've Got will inspire you to develop a deeper intimacy with God through worship prayer and meditation More than a book Loving God is a unique achievable journey that shows you how to love God with your entire being fully surrendered to him This new edition comes complete with a study guide for small groups and Sunday school classes Loving God through the Truth, Second Edition Mark Kim, 2023-05-25 The word theology is often construed by many as referring to a very dry and academic discipline only reserved for the professional clergy and seminary professors Many lay Christians in the church are intimidated by the subject and feel it to be a tedious intellectual exercise that is of no use for their spiritual growth and mission of the church In an attempt to address this concern Mark Kim presents here an introductory systematic theology that deals with the core doctrinal topics of Christianity that is accessible for the average layperson The work will engage heavily with Scripture and the voices of the past and present who have contributed to the total theological voice of the church at large In this second edition of the work there is included an extra chapter on the doctrine of the Christian life As pointed out in the first edition of the work theology should foremost be practical in its results and application The author addresses this concern by including a new chapter discussing the nature of the Christian life and how Christians should live in the world **Love Language of God** James W. Sheets, 2011-02-01 Author James Buddy Sheets gives a clear picture of the love of God as He intends for us to understand it In the busyness and activity of our modern lives it is easy to forget that love relationship that the Lord so desires to have with every believer A clear image of that loving relationship between Christ and His Bride the church is outlined here for those who would like to have a closer more intimate relationship with the Savior Don't let that intimate relationship with Jesus get lost in the everyday hubbub of life Eight Ways of Loving God Jeanette Flood, 2019-05-20 There is growing awareness that different people have different love languages What about God Does He have a love language Jeanette Flood answers this question by looking at the life and teachings of Jesus With a conversational style and a dose of good humor she describes eight love languages with fresh spiritual analogies and lessons from her own life This work reveals that being a Christian means being in a relationship of love with Love Himself Drawing on Scripture Church teachings and insights of the saints it inspires readers to follow Saint Paul's advice to the Ephesians to learn what is pleasing to the Lord Eph 5:10 **Love Out Loud** Joyce Meyer, 2011-11-02 Jesus said You must love the Lord your God with all your soul and with all your strength and with all your mind and your neighbor as yourself Luke 10:27 If one had to choose a single verse in the Bible that is a formula for successful living this would be the one to live by says Joyce Meyer love God yourself and others in that order Many Christians get mixed up about love They know they should love God and others but many do not understand that loving oneself is one third of God's equation They mistakenly think of it as selfishness or self aggrandizement Joyce Meyer believes that this misconception is one of the greatest pitfalls in the Christian journey Loving oneself in a balanced

healthy manner is essential in order to have healthy relationships with God ourselves and others Drawing upon her previous work and teaching series as well as original devotions the author of Power Thoughts examines the three loves that we've been commanded to exhibit
