## Loving Couples:

**Sketches of Young Couples** Charles Dickens,2021-02-26 The couple who dote upon their children have usually a great many of them The children are either the healthiest in all the world or the most unfortunate in existence In either case they are equally the theme of their doting parents and equally a source of mental anguish and irritation to their doting parents If you thought annoying couples was a thing of the present think again In this collection of short stories from 1840 you'll meet among others The Contradictory Couple The Plausible Couple and The Couple Who Coddle Themselves All various degrees of annoying Full of dry humour and realism Dickens sharp observations prove that human nature doesn't change much at all In fact you might as well be reading a script for a romantic Netflix show Charles Dickens 1812 1870 was an English author social critic and philanthropist Much of his writing first appeared in small instalments in magazines and was widely popular Among his most famous novels are Oliver Twist 1839 David Copperfield 1850 and Great Expectations 1861

**Charm Offensive** Kelly Ricciardi Colvin,2023-03-30 In the aftermath of the Second World War the French government cultivated images of sensual and sophisticated white French women in an attempt to reestablish its global image as a great nation They promoted the beauty sexual appeal and general allure of French women all while shrinking the boundaries of what was considered beautiful Charm Offensive explores how this elevation of French femininity created problems on both sides of the equation the pressure on French women to conform to an exacting physical standard was immense while the inability of anyone else to access that standard resulted in a sense of failure Drawing on cultural figures like Air France hostesses tourism workers and celebrities such as Brigitte Bardot Charm Offensive offers an innovative understanding of a tumultuous time of decolonization
