Loving Shepherd:

The Ever-Loving Shepherd and the Small Lamb Rev. John Young, 6th, 2025-03-11 Have you taken a close look at the paintings or the illustrations of Jesus that depict His role of being our Good Shepherd Did you ever wonder why Jesus Christ of Nazareth called Himself the Good Shepherd Ever wondered why the humble associations to the shepherds of Israel as understood by the cultures of His audiences Are you familiar with stories from Biblical times that talk about the littlest of lambs who liked to run away from their shepherds The Ever Loving Shepherd and the Small Lamb takes an engaging look at Jesus Christ and His associations with the ancient shepherds of Israel and the Messiah's care of His beloved lambs us The story within the stories gives provocative and authentic insights to help shed a more special understanding of Jesus and His desire to always shepherd His flock especially His interactions with rebellious little ones much like many during the days of youth The Ever Loving Shepherd takes a closer look our relationship with Jesus Christ especially during times of need and being most broken the times when it is most beneficial to seek the voice of our Good and Ever Loving Shepherd

Gnostic John the Baptizer: Selections from the Mandaean John-Book G. R. S. Mead, 2012 This is the extended and annotated edition including an extensive annotation of almost 10 000 words about the history and basics of Gnosticism written by Wilhelm Bousset an interactive table of contents perfect formatting for electronic reading devices The main materials contained in these pages will certainly be new for the vast majority of readers Moreover the Mandaean narratives legends and discourses are not only interesting because of their own distinctive matter and manner but they are also arresting for they raise a number of problems some of which are far reaching and one is fraught with implications of immense importance The definite solutions of these problems however lie in the future and the most important of them will perhaps never be reached for in the absence of straightforward historical information general agreement on any subject that concerns Christian origins immediately or even indirectly is now well nigh a psychological impossibility
