

A romantic illustration of a couple sitting under a large tree in an autumn forest. The man is sitting on the ground, holding the woman's hands, and she is leaning her head against his chest. They are surrounded by fallen autumn leaves in shades of red, orange, and yellow. The background shows more trees with vibrant foliage, creating a warm and intimate atmosphere.

Loving Someone Else:

How to Love Someone Else's Child Vicksay Baby Moten-Richardson,2021-03-11 All I ever wanted was to be a mother At the age of four when someone would ask me what I wanted to be I would say I want God to delay his coming so that I can live to be twenty five years old get married and have children But on that dreadful day in January of 1994 my doctor told me that my chances of becoming a mother were very slim due to several female problems I hung my head in my chest and cried There will always be a hole in my heart and questions in my mind about what my child would have looked like Would he or she be like me talk like me or even stand like me God s will in my life is more important than mine and since then I have learned to trust him with all my heart Along the way I have been blessed to be called mom by some very extraordinary children Along the way I have been blessed to be called mom by some very loving and generous children Along the way I have been blessed to adopt two extremely special children Along the way I have been blessed by these children more than words can express But most of all I have been blessed to have LOVED SOMEONE ELSE S CHILD **The Best Day of Someone Else's Life** Kerry Reichs,2024-04-16 Despite being cursed with a boy s name Kevin Vi Connelly is seriously female and a committed romantic The affliction hit at the tender age of six when she was handed a basket of flower petals and ensnared by the marry tale The thrill the attention the big white dress it s the Best Day of Your Life and it s seriously addictive But at twenty seven with a closetful of pricey bridesmaid dresses she ll never wear again a trunkful of embarrassing memories and an empty bank account from paying for it all the illusion of matrimony as the Answer to Everything begins to fray As her friends choices don t provide answers and her family confuses her more Vi faces off against her eminently untrustworthy boyfriend and the veracity of the BDOYL Eleven weddings in eighteen months would send any sane woman either over the edge or scurrying for the altar But as reality separates from illusion Vi learns that letting go of someone else s story to write your own may be harder than buying the myth but just might help her make the right choices for herself
