Loving Ways:

Loving Ways Gail Gaymer Martin, 2015-09-28 Sometimes love needed a heavenly hand but Annie O Keefe was reluctant to believe in romance She had always been the family caretaker and made sure everyone else's needs were met first But when a charming landscaper appeared outside her window Annie had secret hopes that this handsome stranger might be meant just for her Ken Dewitt had a past he'd rather forget but he counted himself lucky that nothing had ever killed the joy in his heart or his faith in God He wanted to help show Annie the way to happiness and freedom She needed to know how special she was He only prayed the truth wouldn't break the strong bond between them Previously published Cosmology of Love Laura Smith Biswas, 2022-02-20 Experiencing love in life is the paramount wish for all of us Join in with your loved ones to discover your specific needs so that greater love can flow in your life and to the ones you love It is with grace that author Laura Smith Biswas elucidates many forms of love to allow you to build from small specific steps to a love filled life Her proven discovery process will open your eyes to what you need and what those you love are seeking in return Uncovering the ways that you desire to be loved will allow you to better communicate them and see the actions to foster deeper connection and intimacy In addition the Cosmology of Love will inspire you to lay the foundation for loving yourself more fully The Cosmology of Love is supported by the companion book Affirmations of Love that takes this discovery process further to provide over 400 affirmations for integration and practice of the ways of loving described in this book Sacred Matters Wesley R.
