**Anne M. Jequier**

## **Low Sperm Count:**

Male Infertility Anne M. Jequier, 2011-03-10 The role of male derived factors in infertility now receives increasing prominence as investigations focus more on the couple rather than solely the female partner Although there are many books on infertility few devote themselves wholly to the male partner Male Infertility redresses this balance by increasing awareness of both the causes and management of infertility in the male This revised and updated edition contains new chapters covering urological disorders that may occur concomitantly with male infertility such as testicular cancer penile disorders and prostate cancer A practical and clinical guide Male Infertility enables clinicians to make quick and accurate diagnoses of the cause before pursuing the most appropriate treatment option to maximise the chances of conception Of particular value to gynaecologists and andrologists this text will be of great interest to any clinician working in the infertility clinic as well as primary care practitioners and trainees

Healthy Healings Detoxification Linda Page, 2008-09 More than 25 000 new toxins enter our environment each year Detoxification is becoming a necessary commitment for health in the modern world However too many fad diets and detox products on the market today are overly harsh and create further health imbalances by depleting the body of essential nutrients Clearly Americans need safe detox options that restore the body to good health without these risks and side effects In Healthy Healing s Detoxification world renowned naturopath and best selling author Dr Linda Page shares her hard won experience on detoxification and shows you how to cleanse safely and naturally for the best results With over thirty years of experience in the health field Dr Page details critical information on how to cleanse the healthy way and the types of cleanses to avoid She shows you what you can expect when you cleanse what a good cleanse really does and how to direct a cleanse to the body systems that need the most support Includes step by step detox programs for health concerns like arthritis allergies asthma candida GERD infertility weight loss and much more Get on the path to renewed health and vitality Start your Healthy Healing detox today
