Lucy McKenzie Lucy McKenzie, Alison Gass, San Francisco Museum of Modern Art, 2007      **New Work Lucy McKenzie, 2007**      **Lucy McKenzie** Lucy McKenzie, 2019      *Lucy McKenzie* Jacob Proctor, Museum Brandhorst, Lucy McKenzie, 2020 Anne Pont gnie Jacob Proctor Leah Pires Lucy McKenzie Mason Leaver Yap      **Supreme Court Appellate Division**,      *What We Want Is Free, Second Edition* Ted Purves, Shane Aslan Selzer, 2014-07-07 Explores how contemporary artists use gifts barter and other forms of nonmonetary exchange as a means and medium of artistic production. This revised edition of *What We Want Is Free* examines a twenty year history of artistic productions that both model and occupy the various forms of exchange within contemporary society. From shops gifts and dinner parties to contract labor and petty theft, contemporary artists have used a variety of methods that both connect participants to tangible goods and services and at the same time offer critiques of and alternatives to global capitalism and other forms of social interaction. Examples of these various projects include the creation of free commuter bus lines and medicinal plant gardens, the distribution of such services as free housework or computer programming and the production of community media projects such as free commuter newspapers and democratic low wattage radio stations. Like the first edition, the second edition includes a detailed survey of artists projects from around the globe as well as critical essays and artists texts that explore the underlying social history and contemporary issues that further inform our reading of these works. This new edition also features a new introduction and additional chapters on the relation of exchange practices to democracy, the commons, object oriented philosophy and an examination of the impact of ongoing globalization on the economics of artists projects. It also features a significantly expanded scope for the project histories including work from the past decade and a new section dedicated to artist initiated organizations and innovative models for new institutions. Praise for the First Edition: If you are an artist, read this book. No matter how you define and structure your practice, the essays within *What We Want Is Free* will lead you to consider important questions about how you work and what kind of life a project can lead. **The Last Days of Pompeii** Victoria C. Gardner Coates, Kenneth D. S. Lapatin, Jon L. Seydl, Cleveland Museum of Art, Musée national des beaux-arts du Québec, 2012. Destroyed yet paradoxically preserved by the eruption of Mount Vesuvius in A.D. 79, Pompeii and other nearby sites are usually considered places where we can most directly experience the daily lives of ancient Romans. This book explores Pompeii as a modern obsession in which the Vesuvian sites function as mirrors of the present. It is a fascinating survey of the modern obsession with the destruction of Pompeii as seen through the eyes of artists. Destroyed yet paradoxically preserved by the eruption of Mount Vesuvius in A.D. 79, Pompeii and other nearby sites are usually considered places where we can most directly experience the daily lives of ancient Romans. Rather than present these sites as windows to the past, *The Last Days of Pompeii* explores Pompeii as a modern obsession in which the Vesuvian sites function as mirrors of the present. Through cultural appropriation and projection, outstanding visual and literary artists of the last three centuries

have made the ancient catastrophe their own expressing contemporary concerns in diverse media from paintings prints and sculpture to theatrical performances photography and film This lavishly illustrated volume featuring the works of artists such as Fragonard Kaufmann Duchamp Dali and Warhol surveys the legacy of Pompeii in the modern imagination
