## **Mastering Selling:**

**How to Master the Art of Selling** Tom Hopkins, 2015-05-04 You're in sales. Whether you call it persuasion or sharing, it all boils down to the same thing: Your aim is to get other people to accept you, your product, or your idea. Within these pages are hundreds of ideas for doing just that. Not only are the ideas here, but the words and phrases that make them work are here as well. Tom Hopkins is unique in that he won't teach you any strategy that he hasn't proven to work successfully in real-life selling situations. One single strategy alone has tripled the sales volume of many readers. That's why the book is recognized as a classic 25 years after its first printing. This book is written in clear, easy-to-understand language. There's no hype or theory here, just proven, effective, how-to strategies to help you increase your sales volume immediately. Need help in a specific area? Check out the detailed index. The answers to nearly every concern or objection are literally at your fingertips. Save yourself the time it took Tom to master the art of selling. It's all wrapped up in these pages for you. [Mastering the Art of Selling Real Estate](#) Tom Hopkins, 2004-08-03 Full of anecdotes, sales scripts, and proven tactics, this fully revised and updated book shows readers how to find the best listing prospects, win over For Sale by Owner sellers, earn the seller's trust, and more. [Mastering the Art of Selling Anything](#), 2015-12-26 Concise, info-packed, and step-by-step guide on learning how to master the art of selling anything. This book is the result of extensive research and study on Mastering The Art Of Selling. The major goal here is that almost everybody can sell if he learns how, and the how is very easy and simple. There are 7 simple steps to lead a product presentation into a closing sell, and if done correctly, it can hike the sales rate of any salesman, no matter what he sells. Mastering The Art Of Selling Anything is a true step-by-step guide for those who think great salespeople are good talkers, and if a salesman can not talk, he can't sell. This idea is almost outdated and obsolete, as you will learn from the simple guide in this book. Mastering The Art Of Selling Anything is possible if you know how to lead people from potential prospects into definite buyers, and that's only possible if you can generate the feeling of trust by creating enough positive idea around the potential prospects. If they trust you, they will buy from you. If they think you are an authority in the field, the chance of buying from you shuts up dramatically. So read and re-read this book to the end as many times as you can, until you master each step and practice the tips explained until you can really help prospects to find what they want to buy and sell them what you want to sell.
