A Systematic Review

Dareen Alsulami,2018 The last them is the effectiveness of using social media in language learning which approved that using social media was effective in most studies for improving different language skills Conclusion Our review provides insights into the emerging utilization of social media

in language learning In particular it identifies types of social media tools that used the most to improve the language skills as well as the effects of such use which may differ between skill to skill Accordingly our results framework and propositions can serve to guide future research and they also have practical implications for language learning and developing the design instruction Key Words Social media Language learning Systematic review Language skills [Publications of the American and Canadian Committees on Modern Languages](#) Modern Foreign Language Study,1928
