It's only natural nineteen year old Brennan's life would be upended by something as ridiculous and unexpected as turning into a vampire. But if there's one thing Brennan can do it's pretend everything's fine when he's close to losing his mind. Brennan has just clawed his way back to Sturbridge University after recovering from a suicide attempt and this is not the new life he was hoping for. Brennan's newly bloodthirsty existence gets way more complicated when Cole the super cute librarian and everyone's campus crush stumbles on Brennan drinking from a stolen blood bag. Luckily adorable Cole is happy to keep Brennan's secret and even seems to maybe like him.

Navigating a new relationship is hard enough without the added struggles of vampire puberty an eclectic clan of self proclaimed good vampires and growing feelings for the one person who makes Brennan feel normal. With swirling rumors of a missing student and a rise in strange animal attacks near campus Brennan must uncover the secrets of the clan and figure out how to balance vampirism and humanity or risk losing the first real friends he's ever had.
