New Year Resolution:

Squirrel's New Year's Resolution Pat Miller,2010-09-01 2013 Washington Children's Choice Picture Book Award nominee Squirrel knows that New Year's Day is a great day for making resolutions. But what does it mean to make a resolution anyway? As she makes visits around the forest, she learns about New Year's resolutions and helps her friends get started on theirs. If only she can think of a resolution of her very own. **New Year's Resolution** Joseph Ojih,2020 The best evidence suggests that more than half of all New Year's resolutions fail. But they don't have to be yours. In *New Year's Resolution: How to Make it Stick*, Dr. Joseph Ojih explained how to make the right resolutions to improve your life, create a plan on how to stick to the resolution and become part of a small group of people that successfully achieved their goals. *New Year's Resolution: How to Make it Stick* is the result of practical experience by the author and is not intended as an exhaustive book on the subject of New Year's resolution. Its object is to show readers a simple and practical way to keep their New Year's resolutions and spark positive changes and happiness on their lives.
