**Encyclopedia of Chinese History** Michael Dillon, 2016-12-01 China has become accessible to the west in the last twenty years in a way that was not possible in the previous thirty The number of westerners travelling to China to study for business or for tourism has increased dramatically and there has been a corresponding increase in interest in Chinese culture society and economy and increasing coverage of contemporary China in the media Our understanding of China's history has also been evolving The study of history in the People's Republic of China during the Mao Zedong period was strictly regulated and primary sources were rarely available to westerners or even to most Chinese historians Now that the Chinese archives are open to researchers there is a growing body of academic expertise on history in China that is open to western analysis and historical methods This has in many ways changed the way that Chinese history particularly the modern period is viewed The Encyclopedia of Chinese History covers the entire span of Chinese history from the period known primarily through archaeology to the present day Treating Chinese history in the broadest sense the Encyclopedia includes coverage of the frontier regions of Manchuria Mongolia Xinjiang and Tibet that have played such an important role in the history of China Proper and will also include material on Taiwan and on the Chinese diaspora In A Z format with entries written by experts in the field of Chinese Studies the Encyclopedia will be an invaluable resource for students of Chinese history politics and culture

**Cumin, Camels, and Caravans** Gary Paul Nabhan, 2020-09-22 Gary Paul Nabhan takes the reader on a vivid and far ranging journey across time and space in this fascinating look at the relationship between the spice trade and culinary imperialism Drawing on his own family's history as spice traders as well as travel narratives historical accounts and his expertise as an ethnobotanist Nabhan describes the critical roles that Semitic peoples and desert floras had in setting the stage for globalized spice trade Traveling along four prominent trade routes the Silk Road the Frankincense Trail the Spice Route and the Camino Real for chiles and chocolate Nabhan follows the caravans of itinerant spice merchants from the frankincense gathering grounds and ancient harbors of the Arabian Peninsula to the port of Zayton on the China Sea to Santa Fe in the southwest United States His stories recipes and linguistic analyses of cultural diffusion routes reveal the extent to which aromatics such as cumin cinnamon saffron and

peppers became adopted worldwide as signature ingredients of diverse cuisines Cumin Camels and Caravans demonstrates that two particular desert cultures often depicted in constant conflict Arabs and Jews have spent much of their history collaborating in the spice trade and suggests how a more virtuous multicultural globalized society may be achieved in the future
