REVIEWING 2013 New World Translation of Jehovah's Witnesses Edward D. Andrews,2018-01-28 REVIEWING 2013 New World Translation of Jehovah s Witnesses is going to challenge your objectivity Being objective means that personal feelings or opinions do not influence you in considering and representing facts Being subjective means that your understanding is based on or influenced by personal feelings tastes or ideas If the reader finds these insights offense it might be a little mind control at work from years of being told the same misinformation repeatedly so ponder things objectively We can also have preconceived ideas that have been a part of our thinking for so long we do not question them Preconceived is an idea or opinion that is formed before having the evidence for its truth If we are to be effective we must season our words so that they are received well Then there is the term preconception which means a preconceived idea or prejudice Seasoned words honesty and accuracy are distinctive features of effective apologetic evangelism *New World Translation of the Holy Scriptures-With References* International Bible Students Association,New World Bible Translation Committee,1985-03-01

New World Translation Gary Zeolla,2016-12-09 The New World Translation of the Holy Scriptures NWT is published by the Watchtower Bible and Tract Society WT This is the organization that Jehovah s Witnesses belong to But how reliable is this Bible version Much has been written about the NWT in regards to passages dealing with the deity of Christ As such rather than going over that much worn ground this review will instead evaluate the NWT by looking at select passages from Paul s Epistle to the Ephesians The verses will be quoted first from the NWT and then from the word for word translation in the Watchtower s own Kingdom Interlinear Translation of the Greek Scriptures KIT Since the WT claims the NWT is a literal version it will be seen how closely it follows the strictly literal translation in their own interlinear And then the verses will be

quoted from the New King James Version NKJV and from this writer s own Analytical Literal Translation ALT following the most recent updates The standards to be used here are the same standards that I use in evaluating over thirty versions of the Bible in my book Differences Between Bible Versions Simply put does the translation faithfully and accurately render the Greek text into English More specifically are words translated correctly Are words left untranslated Are words added without any indication they have been added Are the grammatical forms of words altered Are phrases paraphrased rather than translated How readable is the text How reliable is the Greek text being translated Edition 2 1 updated December 2016
