## **New York Islanders:**

*Fish Sticks* Peter Botte, Alan Hahn, 2003-04 Once upon a time the New York Islanders were the embodiment of greatness four time Stanley Cup champions and a model franchise in the National Hockey League during the early 80s The dynasty quickly crumbled however and the team found itself in a seemingly never ending freefall One embarrassing episode after another befell the once mighty Islanders Kirk Muller balked at being traded to the team the team s classic logo was replaced with one that was vehemently ridiculed earning the team the nickname Fish Sticks a slick con artist managed to buy the team with nothing more than his charm the team failed to make the playoffs seven seasons in a row as miserly owners purged players salaries Hall of Fame great Bryan Trottier feuded with the team and blocked the retirement of his jersey embattled general manager Mad Mike Milbury couldn t do anything to get himself fired Yet having finally hit bottom after enduring countless trials and near unbelievable tribulations the team has begun its climb to the top New owner Charles Wang has brought not only a desire to return the Islanders to their place of pride but also the money to do it The team experienced a remarkable resurgence during the 2001 02 season Ticket sales have skyrocketed since that breakthrough success with the team expecting to fight its way back into the playoffs for a second straight season

### **We Want Fish Sticks** Nicholas

Hirshon, Éric Fichaud, 2018 The NHL s New York Islanders were struggling After winning four straight Stanley Cups in the early 1980s the Islanders had suffered an embarrassing sweep by their geographic rivals the New York Rangers in the first round of the 1994 playoffs Hoping for a new start the Islanders swapped out their distinctive logo which featured the letters NY and a map of Long Island for a cartoon fisherman wearing a rain slicker and gripping a hockey stick The new logo immediately drew comparisons to the mascot for Gorton s frozen seafood and opposing fans taunted the team with chants of We want fish sticks During a rebranding process that lasted three torturous seasons the Islanders unveiled a new mascot new uniforms new players a new coach and a new owner that were supposed to signal a return to championship glory Instead the team and its fans endured a twenty eight month span more humiliating than what most franchises witness over twenty eight years The Islanders thought they had traded for a star player to inaugurate the fisherman era but he initially refused to report and sulked until the general manager banished him Fans beat up the new mascot in the stands The new coach shoved and spit at players The Islanders were sold to a supposed billionaire who promised to buy elite players he turned out to be a con artist and was sent to prison We Want Fish Sticks examines this era through period sources and interviews with the people who lived it

**from the Press Box, Ice & Front Office** Matthew a. Blittner,2020-02-25 For over 40 years the NY Islanders have called Long Island NY home with the exception of a handful of years during which they played in Brooklyn And over the course of those 40 plus seasons the Islanders have authored some of the greatest moments in NHL history They came from nothing They were an expansion franchise with money problems that lost more than they won But then came along a Coach by the name of Al Arbour and together with GM Bill Torrey the two of them built the Islanders into a perennial playoff powerhouse First came playoff upsets of the Rangers and Penguins Then came some epic playoff series against the Rangers and Sabres And finally after falling just short year after year the 1980 Islanders did it They captured Lord Stanley's Cup kickstarting a run of four straight Cup championships and 19 straight playoff series victories But nothing lasts forever And even though they haven't won a Cup since 1983 they have still authored some iconic moments Nobody and I mean nobody will ever forget the Easter Epic which lasted into the fourth overtime period before Pat LaFontaine won it for the Isles at just shy of 2 00AM on Easter Sunday 1987 Then there was the Shawn Bates penalty shot goal against Toronto in the 02 playoffs And if you prefer something more recent how about the John Tavares double overtime series clinching goal against Florida in the 2016 playoffs that ended 23 years of playoff frustration Or how about the Isles emotional return to The Coliseum after thinking they would never be back Thanks to the cooperation of the writers broadcasters scouts PR Directors and several former players who have been around the team for decades Author Matthew Blittner was able to interview the likes of Neil Best Greg Bouris Larry Brooks Frank Brown Brendan Burke Pat Calabria Hawley Chester Brian Compton Eric Compton Stan Fischler Alan Hahn Shannon Hogan Chris King Allan Kreda Steve Mears Barry Meisel Bobby Nystrom Glenn Chico Resch Howie Rose Neil Smith Arthur Staple John Sterling Rich Torrey Ed Westfall and Alyse Zwick to bring these and other unforgettable Islanders moments to life **Dynasty** Greg Prato,2012-10 Ask any hockey historian about the greatest all time teams and the 1980 1984 New York Islanders are sure to be towards the top of their list Assembled by general manager Bill Torrey and taught the art of dominance by head coach Al Arbour the Islanders of this era included such subsequent Hall of
