

New York  
is the quietest city  
I know,  
only among  
a million beating hearts  
could you still hear  
the cigarette burn  
on a balcony  
in Brooklyn.

xx Atticus

## **New York Poems:**

**Nyc Poems** Regina Alberty, 2014-02-21 Regina Alberty's poetry has not appeared anywhere before. The poems in this book were composed in New York City and her work partakes in the city's restless energy manifested in its constant influx of new immigrants and its ever-changing architectural landscape. Her poems bring to mind the disconnection experienced by those who live in large urban centers where isolation commonly occurs and many endure fragmented lives lacking meaningful contacts. Her poetry however reaffirms life even while at times depicting instances of human suffering and degradation.

*Poem Central* Shirley McPhillips, 2023-10-10 In everything we have to understand, poetry can help. Tony Hoagland, Harper's April 2013. In *Poem Central: Word Journeys with Readers and Writers*, Shirley McPhillips helps us better understand the central role poetry can play in our personal lives and in the life of our classrooms. She introduces us to professional poets, teachers, and students, people of different ages and walks of life who are actively engaged in reading and making poems. Their stories and their work show us the power of poems to illuminate the ordinary, to nurture, inspire, and stand alongside us for the journey. *Poem Central* is divided into three main parts: weaving poetry into our lives and our classrooms, reading poems, and writing poems. McPhillips has structured the book in short sections that are easy to read and dip into. Each section has a specific focus, provides background knowledge, shows poets at work, highlights information on crafting, defines poetic terms, features finished work, includes classroom examples, and lists additional resources. In *Poem Central*, a place where people and poems meet, teachers and students will discover how to find their way into a poem, have conversations around poems, and learn fresh and exciting ways to make poems. Readers will enjoy the dozens of poems throughout the book that serve to instruct, to inspire, and to send us on unique word journeys of the mind and heart.

*A Window for New York* Paul Ramsey, 1968

**Token Entry** Gerry LaFemina, 2012-04-01 Designed to let poets take readers with them on their journeys from the Bronx into Manhattan into Queens and Brooklyn, this collection features the works of performance poets, formalists, lyric poets, and experimentalists.

*Poems of New York* Elizabeth Schmidt, 2002 Presents a collection of poetry that captures the rich diversity of the city from such poets as Dorothy Parker, James Merrill, W. H. Auden, Allen Ginsberg, Audre Lorde, and Wallace Stevens.

*Death of New York City* Nina Zivancevic, Nina Živančević, 2002 You don't know what she will say, though there are no guises. These poems are clear in a darkling, charming voice, disavowing and avowing honesty and cutting. I like them a lot. Alice Notley. *Death of New York City* is a prescient diary made to be read by readers yet unborn, a spiritual journey kept by an alien observer who has recorded with supreme elegance the very nuance of our contemporary world. Ira Cohen.
