Space Opera Ideas:

Handbook of Scientology James R. Lewis, 2017-01-05 The Handbook of Scientology brings together a collection of fresh studies of the most persistently controversial of all contemporary New Religions In recent years increasing scholarly attention has been directed at the Church of Scientology resulting in a small tsunami of new scholarship We have finally reached a point in time where a book on Scientology need not restrict itself to basics Thus for example the historical chapters in the present volume are not really aimed at providing elementary facts on Scientology s background but rather focus on understanding how the Church of Scientology developed over the years In short the Handbook of Scientology will provide a wealth of new information on a topic that one might otherwise have thought exhausted Contributors are Matthew Charet Dorthe Refslund Christensen Carole M Cusack Bernard Doherty Marco Frenschkowski Liselotte Frisk Kjersti Helles y Don Jolly James R Lewis Renee Lockwood Andr s M t T th G bor D niel Nagy Johanna Petsche Erin Prophet Susan Raine David G Robertson Mikael Rothstein Lisbeth Tuxin Rubin Nicole S Ruskell Shannon Trosper Schorey Michelle Swainson Inga B rdsen T llefsen Hugh G Urban Donald A Westbrook and Benjamin Zeller **Books and Beyond** Kenneth Womack, 2008-10-30 There s a strong interest in reading for pleasure or self improvement in America as shown by the popularity of Harry Potter and book clubs including Oprah Winfrey s Although recent government reports show a decline in recreational reading the same reports show a strong correlation between interest in reading and academic achievement This set provides a snapshot of the current state of popular American literature including various types and genres The volume presents alphabetically arranged entries on more than 70 diverse literary categories such as cyberpunk fantasy literature flash fiction LGBTQ literature graphic novels manga and anime and zines Each entry is written by an expert contributor and provides a definition of the genre an overview of its history a look at trends and themes a discussion of how the literary form engages contemporary issues a review of the genre s reception a discussion of authors and works and suggestions for further reading Sidebars provide fascinating details and the set closes with a selected general bibliography Reading in America for pleasure and knowledge continues to be popular even while other media compete for attention While students continue to read many of the standard classics new genres have emerged These have captured the attention of general readers and are also playing a critical role in the language arts classroom This book maps the state of popular literature and reading in America today including the growth of new genres such as cyberpunk zines flash fiction LGBTQ literature and other topics Each entry is written by an expert contributor and provides a definition of the genre an overview of its history a look at trends and themes a discussion of how the literary form engages contemporary issues a review of the genre s critical reception a discussion of authors and works and suggestions for further reading Sidebars provide fascinating details and the set closes with a selected general bibliography Students will find this book a valuable guide to what they re reading today and will appreciate its illumination of popular culture and contemporary social issues **Introduction to Intellectual Property** David

Kline, David Kappos, 2024-09-16 Introduction to Intellectual Property provides a clear effective introduction to patents copyright trademarks and trade secrets The text may be used by students and instructors in formal courses as well as those applying intellectual property considerations to entrepreneurship marketing law computer science engineering design or other fields The luminaries involved with this project represent the forefront of knowledge and experience and the material offers considerable examples and scenarios as well as exercises and references Introduction to Intellectual Property was originally developed by the Michelson 20MM Foundation released under the title The Intangible Advantage This is an adaptation of Introduction to Intellectual Property by OpenStax You can access the textbook as pdf for free at openstax org Minor editorial changes were made to ensure a better ebook reading experience Textbook content produced by OpenStax is licensed under a Creative Commons Attribution 4 0 International License

The Culture Series of Iain M. Banks Simone Caroti, 2018-07-26 This critical history of Iain M Banks Culture novels covers the series from its inception in the 1970s to the *The Hydrogen Sonata* 2012 published less than a year before Banks death It considers Banks origins as a writer the development of his politics and ethics his struggles to become a published author his eventual success with *The Wasp Factory* 1984 and the publication of the first Culture novel *Consider Phlebas* 1987 His 1994 essay *A Few Notes on the Culture* is included along with a range of critical responses to the 10 Culture books he published in his lifetime and a discussion of the series status as utopian literature Banks was a complex man both in his everyday life and on the page This work aims at understanding the Culture series not only as a fundamental contribution to science fiction but also as a product of its creator s responses to the turbulent times he lived in
