## STORY IDEAS

- It all began on a typical day, as I was walking through the store. Then, he stopped me and told me I had to listen to him closely. He said that my life depended on it.
- As I looked down at the body, I thought to myself, "It wasn't supposed to end like this."
- At first, it felt like a joke, as if someone was playing a prank on me by sending nonsense text messages over and over again. But now, I was starting to wonder if there was something more to these messages.
- I began to pick up the pace. The footsteps were getting closer, and I could tell the person — or the thing — was walking faster. I knew what they wanted, but I wasn't about to give it up.
- The trip was a dream come true. I was staying with my new husband in a castle in Scotland. There was a chill in the autumn air, and I felt like there had never been a more romantic place in the world. Unfortunately, that feeling quickly subsided at nightfall. Once the darkness settled in, the ambiance quickly shifted. It was no longer quaint and charming. In fact, it was quite terrifying to be within the castle's stone walls.

Philip Rahv is best known as the co-founder and editor of *Partisan Review* and as one of the most brilliant and influential literary critics in what we are coming to see in retrospect as a golden age of criticism. Within the circle of left-wing critics and intellectuals who clustered around *Partisan Review* in its heyday, Rahv was also credited with having the most astute political mind. Here for the first time is a comprehensive anthology of his writing on literature and politics. Much of this material has never appeared in book form. Included are Rahv's extremely influential writings on such American masters as Hawthorne and Henry James, as well as estimates of more modern authors such as Franz Kafka, T.S. Eliot, Norman Mailer, Saul Bellow, and Delmore Schwartz. Philip Rahv's lifelong interest in the writing of Dostoevsky is represented by five long essays on that author which together comprise the major portion of the book on Dostoevsky that Rahv was completing at the time of his death in 1973. The final section of the book, "Politics, Religion, and Culture," traces Rahv's political odyssey. He began writing as a communist critic in the early 1930s, journeyed reluctantly toward the political center in the 1940s and 1950s, and at the end of his life returned to the
