**Splashing in Life's Puddles** Cathryn M. Scott, 2012 Years ago people believed that the most important parent was the mother Fathers were peripheral members of the family Through the years there has been a revelation that fathers are indeed important and that little girls learn from their fathers what to expect from men In most cases girls who were loved and held in high regard by their fathers expected the same treatment from the boys they dated If they were ignored or belittled their self esteem told them they were not worth any better treatment My choices were predestined I had no idea I had been receiving a silent message of unworthiness while I was growing up     **Eternity's Handmaiden** R. Peter Ubtrent, 2004

Eternity's Handmaiden is a fast paced espionage thriller taking the reader from one end of the timeline to another No one ever escapes The Agency Tuesday 6 August 2085 1500 Archangel Her frowned deepened as she erased the message and then all traces that it had even made it to her It was what she had feared a rendezvous They would be by this afternoon to pick her up take her away from her pristine Alaskan solitude and into a world that she had sworn off of Or so she had thought She quickly learned long ago much to her dismay that one ever left the agency Its insidious fingers like the very talons of death were always there ready at any moment to pounce and dig themselves in dragging one back into a world of intrigue and treachery death and foulness that filled her mouth with such a taste of shit that she almost gagged When she had left fifteen years ago after forty years of faithful service she had made it clear that she was done with it all finished with walking in the shadows and killing in the darkness But they had had other plans     **Eternity's Destiny (Inside a Vampire's Mind, Book 1)**

Michelle Lundy, 2009-11 Have you ever wondered what goes on Inside a Vampire's Mind Find out as you read one vampire's most intimate thoughts HER DIARY In the smog infested city of Baltimore Maryland Eternity Long finds herself on a downward spiral into the deadly abyss of her nightly party life When her mother gives her a diary for her twenty first birthday little does she know what unspeakable horrors await to spill onto the pages Find out how one lust filled night changes her life forever leaving her desperately struggling to regain her former humanity Fighting a losing battle with her new seductive dark side it's only a matter of time before her uncontrollable cravings for sex blood and violence ultimately consume her     **Best When Broken** Scott Coleman, 2012-08-06 At seventeen Scott Coleman was living a charmed life A talented young athlete with dreams of playing football for his favorite college he had a supportive faithful family who gave him a strong work ethic and knowledge of the gift of the grace of God Even so he now recalls that he completely bought into the lie of what happiness and success looked like wealth health parties superstardom on the athletic field and popularity knocking at his door Everything changed for him however on a beautiful Sunday afternoon when he found himself face down in the water paralyzed from the neck down after having taken a deep dive in shallow water while skiing He believed at that moment that his life was over that he was headed straight to eternity As he lay helpless he found himself embarrassed that he had been so blessed and had taken it all for granted Best When Broken shares the testimony of Scott's life and yet it is a story

not about him but instead about the grace of God Through that grace Scott has lived a wonderful life filled with miracles produced by the love prayers and encouragement of those in his life His testimony shows that every moment is a gift from God and that a relationship with Him can and will help overcome any disability or hardship
