of surprise but no it doesn't. The story is fast paced gripping emotional and steamy I can't recommend this book highly enough and I will be adding this epic author to my fave list. It grabbed my attention and I seriously couldn't put it down until I finished it that same day. The plot was excellent. Definitely different from anything I've read. All the characters were well thought out and I felt like I really knew them. This book just sucked me in. I just cannot say enough good things. This author goes to the top of my favs list. I will never look at a paranormal book about vampires the same again. This book deals with humans mutant humans vampires mutant vampires a New World Order after a nuclear war and the hatred between the groups. What happens throughout this book had me unable to put it down but man alive it was intense. One of those reads that if I said anything else about this book I would be giving away key pieces. There are so many things going on in this book. Things that I did not expect to happen did. Things that I did expect to happen did not. The intrigue mystery and thrills in this book kept me on my toes. This book was so good. From the first page I was hooked and it only got better. The romance was sweet and a bit forbidden. The story was intense and fast paced and kept my attention the entire time. The characters were very well developed and relatable. I just really enjoyed this story and highly recommend it.
