Smith, 2007-03 Even back before the first bits of this story hit the newsstands the folks who published it in Amazing Stories January through April 1934 knew they were on to something special We are sure that our readers will be highly pleased to have us give the first installment of a story by Dr Smith It will continue for several numbers and is a worthy follower of the Skylark stories which were so much appreciated by our readers We think that they will find this story superior to the earlier ones Dr Smith certainly has the narrative power and that joined with his scientific position makes him an ideal author for our columns An awful lot has gone under the bridge since 1934 but you know the folks at Amazing were on to something Triplanetary really is all that special and we're thrilled to offer it to you now anew *Dispatches from the Galaxy* Kari Kilgore, 2020-07-15 A Dispatches from the Galaxy Collection A generation ship with an impossible problem A food supply planet at risk of starvation A faster than light space communication network in danger of collapse Join Kari Kilgore on a trio of exciting Space Opera novella adventures The Changes Cascade Sue Warrell Systems and Security Chief aboard Expedition Mission Bellagos fought long and hard for a one way trip Protecting the lives of over eight thousand people and the generation ship they call home As a failed systems update tests Sue and her team to their limits a crew member's
