Roger Eileen Sheehan, 2025-12-30 The Day I Married Roger by Eileen Sheehan Marriage was supposed to be her happily ever after Instead it became her nightmare When Sally weds the enigmatic Roger she believes she's found safety and love But the day she marries him marks the beginning of a descent into a world of dark magic hidden rooms and unspeakable horrors Trapped inside a decaying mansion haunted by revenants witches and secrets that refuse to stay buried she must confront the terrifying truth about her husband and the world that she's entered As the line between the living and the dead dissolves survival demands courage sacrifice and a reckoning with evil that began when she said I do The Day I Married Roger by Eileen Sheehan is a chilling horror thriller about love control and the cost of binding yourself to the wrong soul What a reviewer from Reader's Favorite had to say The Day I Married Roger by Eileen Sheehan is a dark and intriguing read The writing was descriptive and I could feel the dark and supernatural beings in the mansion I was hooked from the start and at times the hair on my arms was raised The plot held me captive and I had a hard time putting the book down The suspense kept me on the edge of my seat turning the pages as fast as I could I did not want to miss a thing The characters were realistic and relatable I felt empathy for Sally who went into this marriage bright eyed but was let down in the worst way imaginable The book was skillfully written and every event felt as if I was there in person This is a kind of book that lingers with you I enjoyed reading it Reviewed by Anne Marie Reynolds for Readers Favorite The Day I Married Roger by Eileen Sheehan is a chilling tale that will send shivers down your spine Don't expect a fast paced read this is a slow burning story

that builds in suspense and tension gradually drawing you in and leading you to a horrifying finale The characters are developed into likable people and the descriptive style of writing makes you feel like you are in the story living it alongside each character This is a compelling tale a little graphic at times but nothing that doesn't fit the plot It's a slightly different take on the genre centering on themes of control love and the wrong kind of marriage If you like a good part supernatural part horror story with plenty of suspense and twists you'll enjoy this one *The Difference Between Us* Eileen Sheehan, 2025-10-31

In the shadowed streets of a city that never truly sleeps Evelyn Sparks hides a secret as dark as the bodies she examines She's the borough coroner cool meticulous and unshakably composed But she's also what the world believes to be a myth a vampire surviving discreetly off the blood that passes through her morgue It's a perfect arrangement until someone starts stealing her supply Detective Johnathan Hale has seen it all or so he thinks Hardened by years of chasing killers through alleys and lies he's called to investigate a string of gruesome crimes that make no sense bodies drained of blood before they reach the coroner's slab When he meets Evelyn something about her unnerves him though he can't say why Their partnership crackles with tension curiosity and an undeniable pull neither can explain But the trail leads them somewhere darker than either expected a rogue vampire with no regard for secrecy and a witch whose magic threatens to unbind the fragile veil between the living and the dead As Evelyn and Johnathan fight to uncover the truth old wounds resurface forbidden desires ignite and the line between hunter and hunted begins to blur In a world where blood ties mean everything love may be the most dangerous mystery of all Here's What a 5 star award review said about it Reviewed by Olga Markova for Readers Favorite *The Difference Between Us* by award winning author Eileen Sheehan is an engrossing blend of crime mystery paranormal fiction and romance Homicide Detective Johnathan Hale is investigating a mystery someone in the city is draining blood from recently deceased persons The only thing in common between these corpses is that they are bloodless At a crime scene Johnathan meets Coroner Evelyn Spark and before long they fall in love But unknown to Johnathan Evelyn is also investigating by stealth the mystery of bloodless corpses She is a vampire feeding on the blood of the recently deceased and a thief is stealing her food The head of the Vampire Council has mandated her to find the culprit But will Johnathan and Evelyn find the perpetrator And what lies ahead for their romance *The Difference Between Us* is a shining example of Eileen Sheehan's understanding of the entertainment value of novels to be enjoyed over one or two evenings Spellbound I read this immersive fast moving suspenseful and twisty mystery in two sittings I instantly took to Evelyn and Johnathan and thoroughly enjoyed their investigations The human vampire romantic scenes added suspense to the storyline and the humour offered a respite from the plot's tensions I also enjoyed the spectacular magical combat sophisticated witchcraft and the history of vampires and witches But most of all I appreciated the thought provoking manifestations of the sibling bond and the pitfalls and advantages of truths over lies I highly recommend this fascinating story to mature fans of crime mysteries and paranormal romance *Behind The Door* Eileen Sheehan, 2025-12-15 When

Seth and Yarna stumble upon a once majestic centuries old mansion sold for a fraction of its worth they seize the opportunity to claim their dream home But their good fortune unravels the moment the doorbell rings Standing on the doorstep is the rightful heir long presumed dead demanding the return of the estate What begins as an unnerving encounter spirals into a nightmare as Seth and Yarna discover the truth every generation of the mansion s twisted bloodline carved new passages concealed new chambers and hid unspeakable secrets within its walls The deeper the couple probes into the labyrinth beneath their floors the more they awaken the ancient horrors that still linger there watching waiting hungry Caught between an heir with impossible ties to the past and a house that seems intent on revealing its darkest appetites Seth and Yarna must uncover the truth behind the door before it opens for them Drenched in suspense gothic atmosphere and pulse pounding revelations Behind the Door by Eileen Sheehan is a haunting tale of legacy deception and the immortal terror that thrives in the shadows you re never meant to see What a 5 star review from Reader s Favorite had to say Behind the Door is a riveting mystery novel that blends supernatural and psychological elements The secluded mansion makes the turn of events feel even more tense and immersive Sheehan s captivating writing style keeps the momentum going while gradually increasing the pressure Seth depends on facts and technology while Yarna is more sensitive and creative Yet their different reactions and experiences add intrigue pulling readers further into the story The book explores themes of ownership ominous secrets and how the past can interfere with the present It reminds me of haunted house stories where the building itself has a life of its own Fans of slow eerie suspense and mysteries with ghostly hints will absolutely enjoy Eileen Sheehan s Behind the Door

oin Aisling as she navigates a world filled with magic love and danger A victim of bullying Aisling is transported to a land and time she knows nothing about But with the help of a community of powerful witches she discovers a strength within herself that she never knew existed As she faces challenges and falls in love Aisling becomes a fearless and self assured woman Aisling In The Land Of Wolves is the first book in an epic trilogy that will take you on a journey of self discovery and empowerment Here s what is said by Reader s Favorite about the novel Reviewed by Alma Boucher for Readers Favorite Aisling In The Land of Wolves was complex and exciting Eileen Sheehan intertwined romance and the paranormal I was hooked from the first page It was easy to be part of the world of magic love and danger that was created The story was fast paced and packed with action With all the twists and turns I never knew what would happen next Some of the events were graphic and violent The suspense kept me on the edge of my seat The role players were well developed and authentic My favorite character was Aisling She started as a teenager who was bullied and became a fearless and self assured woman The story was brilliantly written and it exceeded my expectations by far Reviewed by Stephanie Chapman for Readers Favorite Eileen Sheehan built suspense in several areas with Aisling whose definition of mean girls was equivalent to real high school cliques The first person narration gave a clear view of what went through Aisling s mind with each new challenge I share Aisling s view that her mother s fixation with witchcraft left her vulnerable and neglected The smooth transitions from one event to another were easy to follow and provided a basic timeline The details were vivid especially with the surroundings in the forest I could imagine the lush foliage and walking along the paths winding through the trees The detailed descriptions of the different mythical creatures were fascinating The end of the story left a clear opening for a sequel Magic and character progression make Aisling a great read for fantasy fans Reviewed by K C Finn for Readers Favorite Author Eileen Sheehan really takes her central protagonist on a deeply emotional journey in this novel and it s that intense investment in Aisling s personal growth that will keep readers coming back for more as each action packed chapter challenges her to grow and develop in new and unexpected ways I really appreciated the author s craft when it comes to speech and thought presentation as the up close narrative lets us get a deeper sense of what s going on in Aisling s head and heart as she falls in love discovers her own powers and becomes a newly empowered version of her former self The description of witchcraft and the magical elements of the story were also very cinematically realized and exciting to read about Overall I would definitely recommend Aisling In the Land of Wolves as a promising start to an enthralling fantasy trilogy and I can t wait to see what happens next **Vickie: Doctor by day.**
