Moominpappa At Sea:

Moominpappa at Sea Tove Jansson, 2010-10-26 Feeling his family's life is too safe and fixed Moominpappa moves them to a lighthouse on an island to lead a life full of troubles and indeed they find many mysteries in that lonely place

Perfect for readers of all ages join the beloved world famous characters of Moominvalley on an unforgettable adventure in Moominpappa at Sea. Includes black and white illustrations throughout. Genius Philip Pullman. Clever, gentle, witty and completely engrossing. Jeff Smith author of *Bone*. The Moomin family is off to live in a lighthouse on a tiny island because even the home-loving Moomins need a change of scenery sometimes. As they discover things about their new home the family also discovers surprising and wonderfully funny new things about themselves. In the 80 years since the first Moomin novel appeared Tove Jansson's timeless stories have continued to captivate audiences across the globe with their adventure, humor and endless wisdom. Whether you're a lifelong fan or a first-time visitor to Moominvalley these classic books are a must-have for anyone who wishes the world was a bit more magical. When stricken with a severe cold Moominpappa decides to set down an account of his eventful youth which he shares chapter by chapter with Moomintroll, Sniff and Snufkin. **Tove Jansson Life, Art, Words** Boel Westin, 2013-12-18. The Finnish-Swedish writer and artist Tove Jansson achieved worldwide fame as the creator of the Moomin stories written between 1945 and 1970 and still in print in more than twenty languages. However the Moomins were only a part of her prodigious output. Already admired in Nordic art circles as a painter, cartoonist and illustrator she would go on to write a series of classic novels and short stories. She remains Scandinavia's best-loved author. Tove Jansson's work reflected the tenets of her life: her love of family and special bond with her mother of nature and her insistence on freedom to pursue her art. Love and work was the motto she chose for herself and her approach to both was joyful and uncompromising. If her relationships with men foundered on her ambivalence towards marriage those with women came as a revelation, especially the love and companionship she found with her long-time partner, the artist Tuulikki Pietil, with whom she lived on the solitary island of Klovharu. In this meticulously researched, authorised biography Boel Westin draws together the many threads of Jansson's life from the studies interrupted to help her family the dark shades of war and her emergence as an artist with a studio of her own to the years of Moomin mania and later novel writing. Based on numerous conversations with Tove and unprecedented access to her journals, letters and personal archives, *Tove Jansson Life Art Words* offers a rare and privileged insight into the world of a writer whom Philip Pullman described
