Guild Boss Jayne Castle,2022-07-26 Welcome to Illusion Town on the colony world of Harmony like Las Vegas on Earth but way more weird Living in this new alien world doesn t stop the settlers from trying to re create what they ve left behind Case in point weddings are still the highlight of any social calendar But it s the after party that turns disastrous for Lucy Bell Kidnapped and drugged as she leaves the party she manages to escape only to find herself lost in the mysterious alien underground maze of glowing green tunnels beneath Illusion Town She s been surviving on determination and cold pizza scavenged for her by a special dust bunny when help finally shows up Gabriel Jones is the Ghost Hunter sent to rescue her but escaping the underground ruins isn t the end of her troubles it s only the beginning With no rational reason for her abduction and her sole witness gone on another assignment for the Guild whispers start circulating that Lucy made it all up Soon her life unravels until she has nothing left but her pride The last thing she expects is for Gabriel Jones to come back to town for her The Lucy that Gabriel

finds is not the same woman he rescued the one who looked at him as if he were her hero This Lucy is sharp angry and more than a little cynical instead of awe she treats him with extreme caution But a killer is still hunting her and there aren't a lot of options when it comes to heroes Despite her wariness Gabriel is also the one person who believes Lucy after all he was there He's determined to help clear her reputation no matter what it takes And as the new Guild Boss his word is law even in the lawlessness of Illusion Town

The Bride Wore White Amanda Quick,2024-03-26 A psychic desperate to escape her destiny and a killer finds her future in the coastal town of Burning Cove in New York Times bestselling author Amanda Quick's latest novel Being Madame Ariadne Psychic Dream Consultant wasn't Prudence Ryland's ideal gig but it paid well which was reason enough to do the work until she realizes that her latest client intends to kill her But Prudence a master at reinvention finds a new job and home as far away as possible and is finally able to relax which turns out to be a big mistake Letting her guard down means being kidnapped and drugged and waking up in a bloodstained wedding dress in the honeymoon suite next to a dead man With the press outside the hotel waiting with their cameras and police sirens in the distance it's obvious she's being framed for the man's murder Prudence knows who is responsible but will anyone believe her It doesn't seem likely that rumored crime boss Luther Pell or his associate Jack Wingate believe her seemingly outrageous claims of being a target of a ruthless vendetta In fact Prudence is convinced that the mysterious Mr Wingate believes her to be a fraud at best and at worst a murderer And Jack Wingate does seem to be someone intimately familiar with violence if going by his scarred face and grim expression So no one is more shocked than Prudence when Jack says he'll help her Of course his ideas for helping her involve using her as the bait for a killer but Prudence feels oddly safe with Jack protecting her But who will protect Prudence from her growing fascination with this enigma of a man

Alienation Avery Blake,David W. Wright,2019-06-18 He had to betray his species to save ours Ash thought he was a normal guy with a normal life a wife he loved and a stepdaughter who resented him Until the day he gets pulled over by a cop who is more than he seems and that illusion is shattered in one violent revelation Ash isn't who or what he thinks he is His memories have been wiped to protect himself and the world and the only way to save the world from the looming alien invasion is to rediscover his past lives and destroy The Puncture a powerful device that the aliens are seeking But to do so he'll need to rely on the last person in the world who wants to help him his stepdaughter Darcy who hates him for the tragedy that he brought into their lives Set up for a crime they didn't commit and hunted by an alien posing as an FBI agent Ash and Darcy must race the clock to find The Puncture before the aliens do The fate of humanity hangs in the balance But first they'll have to survive one another

Alienation is the new standalone novel set in the bestselling Invasion Universe Pick up your copy today *Hollywood on the Hudson* Richard Koszarski,2008 Thomas Edison invented his motion picture system in New Jersey in the 1890s and within a few years most American filmmakers could be found within a mile or two of the Hudson River They planted themselves here because they needed the artistic and entrepreneurial energy that D W Griffith realized New York had in abundance But as

the going rate for land and labor skyrocketed and their business grew more industrialized most of them moved out The way most historians explain it the role of New York in the development of American film ends here In Hollywood on the Hudson Richard Koszarski rewrites an important part of the history of American cinema During the 1920s and 1930s film industry executives had centralized the mass production of feature pictures in a series of gigantic film factories scattered across Southern California while maintaining New York as the economic and administrative center But as Koszarski reveals many writers producers and directors also continued to work here especially if their independent vision was too big for the Hollywood production line East Coast filmmakers Oscar Micheaux Rudolph Valentino Ben Hecht Charles MacArthur Paul Robeson Gloria Swanson Max Fleischer and others quietly created a studio system without back lots long term contracts or seasonal production slates They substituted newsreel photography for Hollywood glamour targeted niche audiences instead of middle American families ignored accepted dramatic conventions and pushed the boundaries of motion picture censorship Rebellious and unconventional they saw the New York studios as laboratories not factories and used them to pioneer the development of new technologies from talkies to television new genres new talent and ultimately an entirely new vision of commercial cinema

This article will explore the advantages of Moonlight Surrender books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Moonlight Surrender books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. Another popular platform for Moonlight Surrender books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles.
