Spook School Sue Purkiss, 2012-06-21 What could be worse for a ghost than not being frightening enough That's Spooker's problem as he faces his Practical Haunting examinations at the Anne Boleyn Secondary School under the watchful eye of the Inspectorate and Sir Rupert Grimsdyke who's definitely not Spooker's favourite teacher He isn't helped by the fact that he's sent for training to a brand new house in Buttercup Avenue not at all the kind of dingy creaky building in which ghosts feel most comfortable Spooker must find a way to spook the most unspookable people imaginable Or maybe ghosts don't have to be scary after all *Moonmallow Smoothie* Philip Wooderson, 2003 Sam's dad runs an ice cream parlour which is steadily going bankrupt due to competition from Karbunkle's mega emporiums Mum is getting fed up with Dad's dreams of making money and moves out Then one night a large meteorite with super freezing qualities comes thumping down into their garden

Changing Brooms Sue Purkiss, 2013-09-12 Our hero is Jess the long suffering apprentice to the demanding and rather self centred witches Agnes Moonthistle and Sybil Higginbotham The top lifestyle TV show Changing Brooms which bears an uncanny resemblance to another popular TV show offers all three the chance to get what they really want in the world using a little magic to help things along with hilarious and unexpected results With the gentle humour and tremendous sympathy for her characters that distinguished *Spook School* Sue Purkiss has created another winning novel for newly confident readers Acclaim for the series a quartet of books with robust child appeal the brief is clearly to appeal to those recently emerging from reading schemes but requiring continuing support But the stories have a fresh originality that will make them great favourites Lindsey Fraser *Guardian Education Book of the Week* 13 05 03

I Live in a Mad House Kaye Umansky, 2011-12-05 Following his star turn in *I am a Tree* Tim is back for more comic fun This time he's spending half term cleaning cars and screaming toddlers have taken over his home He's not happy Luckily his friend Flora is on hand to help out and have a joke with Things start to look up Until that is they encounter a very angry customer and a very wet Rottweiler But in this comedy who will have the last laugh
