Moonmusic Poems:

The Complete Poems of Carl Sandburg Carl Sandburg,1970 Presents the Pulitzer Prize winning collection of the complete poems of twentieth century American poet Carl Sandburg *To the Moon* Carol Ann Duffy,2009-10-02 Carol Ann Duffy s beautiful anthology features an eclectic mix of poems that chart human fascination with the moon across the centuries and around the world Carol Ann Duffy on *To the Moon* Editing *Answering Back* in which living poets replied to poems from the past I was astonished to see how many of the poems old and new referred to the moon I then started to keep a record of such references and from my notebook I see that in one morning alone I came across no fewer than nine poems from the likes of Coleridge Graves Rosetti and Rowe and it was this selection that initially inspired *To the Moon* There s something incredibly moving and electrifying to read a poem from the Chinese Book of Odes written around 500 BC and to feel both our distance from and our closeness to the past and the Moon itself I climbed the hill just as the new moon showed I saw him coming on the southern road My heart lays down its load In collecting together poems such as these poems that span continents and centuries *To the Moon* shows what it is to be human to love to lose to dream and to hope The poems it contains give us a real and profound sense of our time on this planet and the pleasures they offer are like space itself infinite **Sleeping with the Moon** Colleen J. McElroy,2024-03-18 PEN Oakland National Literary Award 2008 Colleen J McElroy s poetry shoots for the moon and takes it in too in one way after another The collection s award winning poems animate women s experiences of sex shopping and dancing while offering telling insight into the struggles and silver lining of lust love illness and aging Rich with vivid imagery and candid storytelling *Sleeping with the Moon* takes readers on moonlit adventures under the night sky through the barroom s smoky haze and under the covers Beware such delicate sights have driven more than one woman to despair instead she watched him breathe relishing for a moment that secret space where night grows soft and the moon s detumescence forgives and where if this jeweled light holds they might strip themselves of years if only for one night from *In Praise of Older Women* *Moonmusic* Connie Beitler,Toni Van Deusen,2000 *Moonmusic* is a journey along an often unlighted path deep into the heart and soul of two families and ourselves Authors statement **Midnight Moon** Harry L. King,2022-08-01 *Poems of Nature and Life* is a book filled with poems that are well written with compassion for the love of the outdoors and people places and times that have become so forgotten long ago The words and thoughts from every poem excite your very senses and invite you the reader to cling to every word as your own as if you had written them yourself The book contains a genre of poems fulfilled of nature and captures many moments of life as it was many years ago The book is filled with words and beautiful phrases that capture the reader s attention and the author s imagination of nature as seen through his eyes and mind with simple words such as The whisper of owls up in the tall pine trees The sound of the crickets in the evening light When the sun cast shadows into the evening breeze And the day slowly fades into early twilight From the poem titled *Twilight* The words flow gently through every poem engulfing the reader into the author s conception of life
