## **Moral Armor:**

**Moral Armor** Ronald E. Springer, 2004-06 What price would you put on being certain about the moral implications of your every action What peace of mind do you think it would lend To that end Moral Armor is just as it sounds spiritual protection from the irrational inconsistent and oppressive beliefs intertwined throughout our culture With new precision it topples ancient barriers to fulfillment in life and eliminates moral confusion providing Man with the most potent form of certainty moral clarity that is everyday useful Moral Armor is the summation of over ten years spent filtering crucial world experience of good and evil through a deeply studied philosophical framework The result defines explicitly and simply their true identity and the psychological motives driving the two sides Its scope spans from personal motives and relationships to politics and international finance uncovering how good and evil are extrapolated throughout the full range of human action By revealing the true nature of good and evil Moral Armor eliminates the stress guilt hesitation and fear typically associated to moral judgment Through Moral Armor you will acquire a spectacular moral power that once gained you couldn't imagine living without and being clearly anchored to fact will be good for all time Reviews Moral Armor by Ronald E Springer is a philosophical psychological and spiritual treatise discussing what constitutes morality in a day and age when so many conflicting human ideologies often disregard what seems to be basic human decency Emphasizing the importance of a moral code set down by rational standards Moral Armor informatively explores disturbing contemporary issues and then offers means with which to select one's actions based on right and wrong as best as circumstances can allow unclouded by the endless and often self contradictory clamor of outside forces Thoughtful and thought provoking Moral Armor is very highly recommended reading Midwest Book Review

**Moral Armor** Ronald E. Springer, 2004 Judgment day is near The moral war between the Self made and the Spirit Murderers will decide the fate of mankind For the showdown to come whose side are you on

**Morale and Its Enemies** William Ernest Hocking, 1918 War carries the minds as well as the bodies of men into strange paths and so creates an unwonted need for self understanding At the same time the power and the leisure for self understanding are diminished Men as well as nations must choose their part quickly discern their friends and their enemies revise all plans leap to strange tasks at the call of the moment though all the questions of politics and of metaphysics are involved in the deed And while the decision reached may reveal the solvency or insolvency of the soul that issues it the need to bring together the fragments of one's mental life remains and will remain for long after the war is past This book is an attempt to help the soldier first and also the civilian in this task of understanding one's own mind under the special stresses of war There must be many such attempts from different angles of experience one can only contribute from his own angle that of the student of human nature and of philosophy aided by certain special opportunities which the author owes to the courtesy of the Foreign Offices of Great Britain and France Preface p vii
