## **Moral Issues And Multinational Corporations:**

Moral Issues and Multinational Corporations Gerard Elfstrom, 1991-05-13      *Ethical Issues in Business* Peg Tittle, 2000-04-13 The core of this text comprises chapters on all the key issues of business in Canada today Each chapter includes a hypothetical case study and an introduction highlighting key ethical points two academic essays and a real life case study Questions for discussion accompany the essays and case studies The author has also included a general introduction to ethical issues and an overview of ethical theory a section on institutionalizing ethics discussing ethics officers programs codes etc and appendices providing excerpts from important classic contributions to ethical theory and from relevant Canadian law      Ethical Issues in International Marketing Nejdett Delener, 1995 Ethical Issues in International Marketing is a valuable resource for readers increasing need for knowledge of this important area In recent years ethical issues in international marketing have come to the forefront due to publicity and controversy generated from several international cases of questionable ethics To date little research has been conducted in the area of international marketing ethics Delener's book comes at an important time to alert readers to the growing concern for greater ethical behavior in the international marketing arena It provides illustrations to give readers hands on experiences that can transfer directly into the marketing world Delener and his contributing authors identify the unique importance of ethics and corporate social responsibility in global markets Ethical Issues in International Marketing was conceived to allow researchers the liberty to explore the topic in the context of an environment supportive of the difficulties associated with this type of research The contributing authors discuss these main topics A social contract for analyzing and evaluating the activities of transnational corporations in developing countries The relationship of marketing ethics to gray markets for consumer goods How moral commitment is shaped by socialization and role of culture in Turkey The relationship between Egyptian consumers ideology and their perceptions of ethical behavior Readers who desire to make steps toward better global decisionmaking will find this a compelling book The authors make readers realize that conducting business transactions efficiently and effectively in a mere technocratic sense is no longer sufficient Ethical issues in the international marketing environment are best addressed in learning more about the differences between cultures which this book begins to do      **Human Values and Professional Ethics, 3rd Edition** B S Raghavan, 2009 Professional ethics encompass the personal organizational and corporate standards of behaviour expected of professionals      **Multinational Corporations and the Environment** Joan Nordquist, 1994      **Moral Issues in Business** Vincent E. Barry, 1986      **Multicultural Business Ethics and Global Managerial Moral Reasoning** Kamal Dean Parhizgar, Robert Parhizgar, 2006 Multicultural business ethics is an invisible aspect of business but understanding it in a global context is crucial for every manager who leads within a multinational organization This makes Multicultural Business Ethics and Global Managerial Moral Reasoning essential reading for today's multinational business professionals Dr Kamal Dean Parhizgar respected author of Multicultural Behavior and Global Business Environments and co

author Robert Reza Parhizgar bring you an informative textbook and reference source on ethics and morality in multinational business The book also includes an instructor s manual with helpful teaching tips and overviews on chapter content questions and case studies used in the text Multicultural Business Ethics and Global Managerial Moral Reasoning explores Managerial decision making processes and ethical relativism Micro level approach to moral theories Macro level social approaches to ethical theories The comparison of issues between home and host countries The paradigm of multicultural ethics and business knowledge management Moral virtues ethical values and corporate stakeholders convictions Managerial trust right and duties Ethical issues concerning economic political ideologies Major ethical and moral issues concerning Global Social Business Darwinism The main theories of justice law and social contracts between businesses and society Business and its connection to society Difrine Madara,2020-01-27 Academic Paper from the year 2019 in the subject Business economics Business Ethics Corporate Ethics grade A Kenyatta University language English abstract The view that businesses exists for the good of the society has come under massive scrutiny in recent years Argument that as long as businesses act legally and ethically they should not concern themselves with the larger social goals is now being challenged world over Fernando 2010 As a result businesses have been forced to be more conscious of their environment and sustainability of their products and processes Businesses must now look deep into the possible adverse impacts of their operations in the society and consumers According to John Browne to divert anger and suspicions that they have created businesses must reconnect with the society radically Grant and Miller 2018 Looking at the case of many multinational corporations such as Nike Inc it is clear that there are numerous ethical and social responsibility concerns that businesses grapple that make them bad members of the society In this regard the author examines ethical and social responsibility concerns at Nike and other corporations with an aim of determining the best ways through which a business can connect with the society *Moral Issues in Business* William H. Shaw,Vincent E. Barry,2001 This is the only textbook in the field to combine text cases and articles It is unmatched in both comprehensiveness and flexibility with the chapters distinct enough to be taught independent of one another With two chapters on the nature of morality and ethical theory an entire chapter devoted to economic justice and thorough treatment of applied issues this text is ideal for any course in business ethics **Multinational Enterprises and Emerging Challenges of the 21st Century** John H. Dunning,Caimei Lin,2007 A cast of prestigious international business scholars explores here the emerging challenges and issues facing multinational enterprises The book integrates the latest theories thoughts and empirical evidence along with several case studies in international business in the 21st century It is understood that countries view international business in different ways The contributors reflect this by offering a wide variety of viewpoints and covering an array of issues such as foreign direct investment internationalization trust and leadership global education and knowledge transfer Adding to its value are case studies ranging from American restaurant franchises on the world stage to the influence of the internet on Taiwanese SMEs The book will be useful to scholars as a research resource to

practitioners as a modern guide and to students of international business as a comprehensive text      **Multidisciplinary Research in Arts, Science & Commerce (Volume-22)** Chief Editor- Biplab Auddya, Editor- Dr. K. Kavitha, Dr. N. Siddharthan, Dr. Neha Nain, Dr. Babu Lal Choudhary, Sushmita Pandey, Manasvi Shukla, 2025-03-18      Ethics and the Multinational Enterprise Michael W. Hoffman, Ann E. Lange, David A. Fedo, 1986-09-19 The long standing marriage of business and ethics though regularly confronted with conflict has remained a solid partnership In recent years however as popular reaction to big business has become more negative the tension has escalated to new heights of moral confusion With multinational corporations especially it would seem that the clashes of differing cultural values would hopelessly obstruct international businesses transactions This volume asserts that multinational enterprises survive because business and ethics are dependent on each other and examines the many aspects of this issue Co published with the Center for Business Ethics Bentley College      **Vanderbilt Journal of Transnational Law**, 1991      **International Ethics** Gerard Elfstrom, 1998-07 The controversies and ongoing debate over international ethics between advocates and skeptics are explored in this timely volume International Ethics outlines the history of the field analyzes its fundamental concepts and methodology and examines more than 20 special topics such as indigenous people population control national sovereignty women s status and free trade agreements The book also presents biographical sketches of key activists and scholars in the field a chronology of developments in international ethics and significant documents such as the Helsinki Accords Directories of print and nonprint resources and relevant organizations round out a volume that can serve as a foundation for decision making research and enhanced understanding      **Third World Resource Directory, 1994-1995** Thomas P. Fenton, Mary J. Heffron, 1994 Topics covered include children and youth drugs education environment foreign policy health hunger indigenous people migration and immigration population rainforests tourism and women      *Responsibility Matters* Peter A. French, 1992 Most of us spend a fair amount of time trying to avoid responsibility That s not too astounding What is surprising says Peter French is that we tend to dodge the good variety as well as the bad      *Ethical Issues in Business* Thomas Donaldson, Patricia Hogue Werhane, 1988 Keeping pace with recent developments almost a third of the Eighth Edition is new Ethical Issues in Business offers a mix of case studies nine of which are new to this edition and theoretical articles ten of which are new to this edition The articles range from classics in moral theory and economics to modern commentaries by business executives **BOOK JACKET      Multinational Corporations and Global Poverty Reduction** Subhash C. Jain, Sushil Vachani, 2006 Argues that multinational corporations have contributed and can continue to contribute enormously to the reduction of global poverty      **Ethical Theory and Business** Tom L. Beauchamp, Norman E. Bowie, 2001 Resource added for the Leadership Development program 101961      **Ethics & Corporate Governance** Ronald David Francis, 2000 Distills the principles of ethics for busy people and students and shows how they can be applied without oversimplifying nor becoming overly theoretical The book focuses on the need for a strong adherence to codes of corporate

governance in a rapidly deregulating and globalising world
