

Moral Issues

IN MILITARY DECISION MAKING

SECOND EDITION, REVISED

ANTHONY E. HARTLE

Moral Issues In Military Decision Making

Donald A. Wells

Moral Issues In Military Decision Making:

Moral Issues in Military Decision Making Anthony E. Hartle, 1989 discussion of the basic justification for the role of the military in American society Book Cover **Moral Issues in Military Decision Making** Anthony E. Hartle, 2004 Much has changed in warfare in recent years with America now dominant on the international scene and terrorism the new enemy In light of these changes the need for moral grounding in military actions is a more pressing concern than ever When it was originally published *Moral Issues in Military Decision Making* reflected the concerns posed by nuclear stalemate and the lessons of Vietnam In that highly praised work Anthony Hartle outlined the essential elements of the Professional Military Ethic created for American military forces In this new edition he reexamines the moral foundations for America's military leadership in the post 9 11 era Considering world affairs since the first edition the Gulf War Bosnia Afghanistan Iraq 9 11 and the emergence of the United States as an unrivaled military power Hartle explains how these events have raised ethical issues that differ dramatically from those of the Cold War by the war on terrorism homeland defense asymmetric warfare the proliferation of American military interventions and the UN's role in peacekeeping operations Using meticulously analyzed case studies twice as many as in the first edition he considers such moral dilemmas as torture challenging superior officers use of overwhelming force and responding to fire in the presence of civilian shields In this revision Hartle examines further the status of professional military ethics in light of current affairs changes in the articulation of military values and recent research In a new chapter on human rights he relates moral principles directly to values embedded in the Constitution and argues that overwhelming American military power cannot succeed unless it is accompanied by the moral force of the values it seeks to protect difficulties of applying conventional laws of war and human rights doctrine in military operations Hartle convincingly shows that national security is as much about the preservation of moral principles as it is about the protection of America's citizens and borders His book demonstrates that the American military must continue to observe those principles in order to be effective in its primary mission **Didactics of Military Ethics** Thomas R. Elßner, Reinhold Janke, 2016-04-08 The Iron Curtain fell over a quarter of a century ago With it fell also the relatively straightforward Western assumption that war was going to be a bi polar symmetrical affair albeit one with nuclear overtones an assumption around which the training and education of military officers had hitherto been built The immediate post Cold War period showed officers wearing a blue rather than a green helmet negotiating with opponents whom they ought not to call enemies and keeping the peace in situations where there was no peace to keep Added to this was the phenomenon of international terrorism which manifested itself on the strategic rather than merely the tactical level Counter insurgency operations in Iraq and Afghanistan demonstrate how difficult it is to win the hearts and minds of the local population while subduing the enemy at the same time With the distinction between what is morally right and wrong becoming ever more blurred the moral dilemmas of officers and men have begun to multiply and the need to reconsider the basic assumptions and practices of military ethics education

in this highly unpredictable world has become ever more urgent This volume arising out of a conference held at the Centre for Leadership Development and Civic Education of the German Armed Forces attempts to address that need It offers the insights both of officers with combat experience and academics closely familiar with military training and uniquely bridges the gap between theory and practice in the teaching of military ethics *Making the Military Moral* Don Carrick,James Connelly,David Whetham,2017-09-08 This book offers a critical analysis both theoretical and practical of ethics education in the military In the twenty first century it has become increasingly important to ensure that the armed forces of Western and other democracies fight justly and behave ethically The good soldier has to be not only professionally skilled but morally intelligent At a time of relentless media scrutiny the publicising of incidents of morally and legally unacceptable behaviour such as the gross mistreatment of prisoners and the torture of suspected terrorists can do much to undermine the credibility of those who claim to hold the moral high ground in any particular conflict Written by an international team of academic theorists and military practitioners this volume provides inter disciplinary insights into the present state and the future of ethics education in the militaries of Western democracies The contributors critically address the central question of whether such education is sufficient to prepare members of the armed forces to face the peculiar challenges of conflict environments that are now primarily wars among the people in which the opposing combatants may have little or no regard for human life and fail to discriminate between soldiers and civilians when choosing their targets Drawing lessons from recent examples of unethical conduct this original book offers insightful and constructive advice both theoretical and practical as to how situations can be improved and on the means that could and should be employed towards this end This book will be of much interest to students of military studies ethics and international relations **Technoethics and the Evolving Knowledge Society: Ethical Issues in Technological Design, Research, Development, and Innovation** Luppicini, Rocci,2010-01-31 This book introduces the reader to the key concepts and issues that comprise the emerging field of Technoethics the interdisciplinary field concerned with all ethical aspects of technology within a society shaped by technology Provided by publisher Politics and Morality I. Primoratz,2006-12-08 This book is a timely contribution to the public debate of morality and politics Is political morality permissive of deception manipulation and violence Is there room for morality in international relations Should torture be used in the war on terror Is patriotism a virtue Asking key questions on pertinent issues this is an essential text *Institutional Violence* Deane W. Curtin,Robert Litke,1999 Violence can be physical and psychological It can characterize personal actions forms of group activity and abiding social and political policy This book includes all of these aspects within its focus on institutional forms of violence Institution is also a broad category ranging from formal arrangements such as the military the criminal code the death penalty and prison system to more amorphous but systemic situations indicated by parenting poverty sexism work and racism Violence is as complex as the human beings who resort to it its institutional forms pervade our relational lives We are all participants in it as victims and

perpetrators The chapters in this book were written in the hope that violence can be explicated even if not fully understood and that such clarification can help us in devising less violent forms of living even if it does not lead to its total abolition The studies bring new aspects of violence to light and offer a number of suggestions for its remedy **Prophetic Witness in World Christianities** Annemie Dillen, Anne Vandenhoeck, 2011 Prophets have a reputation of changing for the better the relationship between people and God Christianity has a long history of prophets who have directed the faithful towards more justice and righteousness What can Christians learn from prophets for daily life for contemporary theology and for pastoral care This book looks at prophetic action from a biblical pastoral and ethical perspective The contributions from both pastoral theologians and pastors from around the globe make this study a unique exercise in maintaining the prophetic perspective in theological reflection and pastoral practice Series International Practical Theology Vol 13 *Infantry*, 2012 Military Justice in Vietnam William Thomas Allison, 2007 A concise look at how military justice during the Vietnam War served the dual purpose of punishing U S soldiers crimes and infractions while also serving the important role of promoting core American values democracy and rule of law to the Vietnamese *Michigan Journal of Political Science*, 1992

Leadership, Military Leadership, 1991 **Hamline Journal of Public Law and Policy**, 1994 **An Encyclopedia of War and Ethics** Donald A. Wells, 1996-03-25 This is the first encyclopedia that critically surveys the ethics of warmaking from a variety of perspectives Noted experts raise basic questions about what is just in war describe the views of historic and contemporary thinkers on ethical matters survey practices at different periods and discuss key issues The over 250 entries arranged in alphabetical order cover efforts to curb the havoc of war from medieval to modern times from accidental war to Zagreb Resolution different religious perspectives genocide UN peacekeeping and much more Sources for further reading accompany the entries and internal cross references and an index make this major reference easily accessible for students and teachers in military peace and world affairs studies This is the first encyclopedia that critically surveys the ethics of warmaking from a variety of perspectives Historically efforts to curb the havoc of war have confronted three military maxims military necessity the right of reprisal and the obligation of soldiers to obey superior orders The medieval efforts of just war theorists to protect the innocent avoid needless havoc and prohibit excessive weapons rarely affected military practice Modern congresses have pointed out the inconsistency in concerns about war crimes or crimes against humanity and the weapons and strategies of modern war The pressures of the military industrial complex the profits to be gained by war production and the demands of sovereign nationalism contradict such alternative concerns as those raised by the United Nations and the International Red Cross Noted experts raise basic questions about what is just in war describe the views of historic and contemporary thinkers on ethical matters survey practices at different periods and discuss key issues The over 250 entries arranged in alphabetical order cover efforts to curb the havoc of war from medieval to modern times from accidental war to Zagreb Resolution different religious perspectives genocide UN peacekeeping and much more Sources for

further reading accompany the entries and internal cross references and an index make this major reference easily accessible to students and teachers in military peace and world affairs studies **Military Ethics for the Expeditionary Era** Patrick Mileham, Lee Willett, 2001 Giving armed servicemen and women the task of civilizing those parts of the world which have deteriorated into anarchy and bloodshed ethic cleansing or genocide is to give them a moral rule far beyond what the laws of war can currently refine The problems of military ethics a moral philosophy for the armed forces are addressed in this book by Rt Hon Paddy Ashdown MP Dr Michael Ignatieff Professor Adam Roberts Oxford University Brigadier Loup Francart Retired French Army Major General Paul McCarthy Retired US Air Force General Sir Rupert Smith DSACEUR and Patrick Mileham Retired British Army The conclusions reached make this a significant contribution to the debate on military ethics in the present age **Son Thang** Gary D. Solis, 1997 Using trial records and extensive interviews Solis brings to life the host of military and civilian attorneys judges and juries who wrestled with these and other thorny questions in the midst of a combat zone **Kinesis** , 1999 **The Georgetown Journal of Law & Public Policy** , 2007 Books in Print Supplement , 1988 **The Journal of Military History** , 2004-10

Moral Issues In Military Decision Making Introduction

In the digital age, access to information has become easier than ever before. The ability to download Moral Issues In Military Decision Making has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Moral Issues In Military Decision Making has opened up a world of possibilities. Downloading Moral Issues In Military Decision Making provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Moral Issues In Military Decision Making has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Moral Issues In Military Decision Making. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Moral Issues In Military Decision Making. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Moral Issues In Military Decision Making, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Moral Issues In Military Decision Making has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Moral Issues In Military Decision Making Books

1. Where can I buy Moral Issues In Military Decision Making books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Moral Issues In Military Decision Making book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
