

# **Criminal Law, Morality, and the Future of Criminal Justice**

---

## **Introduction**

### **Introduction:**

This article will explore the various moral and legal issues that will face the criminal justice system in the future. It will also consider how this system can be reformed to better meet our social and economic needs.

## **How Criminal Law Affects the Future of Criminal Justice.**

Different types of crimes have different implications for the future of criminal justice. For example, a robbery that results in only a small amount of damage is less severe than a robbery that results in a significant amount of damage or injury. Similarly, an act of vandalism that affects only a few items is more punishable than an act of vandalism that affects many items.

## **What are the Different Types of Punishment for Crimes**

The punishment for different types of crimes depends on the severity of the offense, as well as the number and type of victims. For example, someone who vandalizes several cars with intent to cause serious harm may be sentenced to prison time or even life in prison without parole. On the other hand, someone who vandalizes just one car may be sentenced to a fine or probationary period.

As noted earlier, criminal law often has an impact on the future of criminal justice by influencing how offenders will be punished. For example, prosecutors may choose to charge offenders with more serious crimes rather than lesser offenses in order to receive

## **Morality In Criminal Justice:**

**Legality, Morality, and Ethics in Criminal Justice** Nicholas N. Kittrie, Jackwell Susman, 1979      *Punishment, Danger and Stigma* Nigel Walker, 1980-01-01 To find more information about Rowman and Littlefield titles please visit [www.rowmanlittlefield.com](http://www.rowmanlittlefield.com)

**Ethics, Crime, and Criminal Justice** Christopher R. Williams, Bruce A. Arrigo, 2008 Offers an introduction to the convergence of ethics and morality with issues of crime law and justice Placing an emphasis on the concepts principles and theories that comprise ethical thought the book demonstrates how these concepts can be used to examine ethical issues within the field Critical thinking and reasoning skills are central as is its discussion of metaethics and moral psychology Case studies and illustrations provide practical examples while sound coverage of theory emphasizes how the ethics field can inform our understanding of moral issues in criminal justice Discusses the concepts that represent ethical thought and how they can inform our understanding of moral issues in criminal justice and guide our thoughts choices conduct and decisions Links issues in law crime and justice to the broader study of ethics and morality and shows how sound reflection and reasoned decisions can resolve ethical dilemmas in the field Equips readers with critical thinking tools that can be used repeatedly with moral and ethical concerns that arise within the field Discusses how concepts such as free will and determinism relativism self interest moral motivation and development are critical to understanding issues and controversies in criminal justice such as lawmaking criminal punishment and unethical professional behavior Case studies highlight people and events from the world of crime law and justice and add realism to the prose Law enforcement professionals

**Ethics in Criminal Justice** Sam S. Souryal, John T. Whitehead, 2019-09-17 Introducing the fundamentals of ethical theory Ethics in Criminal Justice In Search of the Truth Seventh Edition exposes the reader to the ways and means of making moral judgments by exploring the teachings of the great philosophers sources of criminal justice ethics and ethical issues in the criminal justice system It is presented from two perspectives a thematic perspective that addresses ethical principles common to all components of the discipline and an area specific perspective that addresses the state of ethics in criminal justice in the fields of policing corrections and probation and parole The seventh edition features discussion of current critical issues in criminal justice accusations of racism police shootings stop and frisk policy marijuana laws mass incarceration life sentences prison privatization the swift and certain deterrence model of probation excessive probation fees and the Good Lives Model in corrections The seventh edition also offers completely revised coverage of capital punishment and the rehabilitation debate and a discussion of how juvenile justice often fails to live up to its ideals Finally the book features new case studies of recent ethical dilemmas in criminal justice to enhance students understanding of real life ethics decision making Suitable for advanced undergraduates or graduate students in criminal justice programs in the US and globally this text offers a classical view of ethical decision making and is well grounded in specific case examples

**Crime and Morality** Hans Boutellier, 2000 This text combines insights from criminology sociology and moral philosophy It describes

the arousal of attention for victims and the development of crime prevention More specifically it analyzes child sexual abuse and prostitution     *Morality Stories* Michael Braswell,Kyle A. Burgason,2023 What are we willing to sacrifice for the welfare of others Can we face the suffering we have both given and received Is there room for mercy in the heart of justice These and other questions related to the moral depth and ethical inclination of the human condition are explored in the original short stories that complete this book Morality Stories encompasses personal social and criminal justice themes and dilemmas such as Death Row homelessness and prejudice In each story persons are judged as much by the good they omitted to do as by the bad actions they chose to carry out Acknowledging regrets expressing remorse and accepting responsibility are demonstrated in many of the stories as a means of moving toward moral courage and decision making The fifth edition offers new stories on a variety of themes including the impact of friendship on racism and loneliness in school settings an old man facing justice for war crimes a young boy adapting to his father s release from prison the pressure and consequences of a high school girl coming out as gay the effects of three women who reach out to veterans and their wives helping them to deal with PTSD how an act of compassion from a law enforcement officer saved a distraught citizen s life and a blue chip athlete struggling whether to go with his heart or his head in deciding which university to attend and play for Given all the questions and possibilities a meaningful and creative narrative provides a good story never really ends More than that the Student in charge is not just teaching students about criminal justice criminology and social justice but about the larger landscape of life itself about how they can make a difference in the world around them

**Criminal Justice and Moral Issues** Robert Frank Meier,Gilbert Geis,2006 Criminal Justice and Moral Issues begins by addressing two questions 1 What kinds of problems can the law solve and 2 What kinds of problems does the law create Using these questions as starting points Robert F Meier and Gilbert Geis evenhandedly explore the role and function of law relating to six major issues that often divide Americans today prostitution drug use homosexuality abortion pornography and gambling Statutes and public opinion have shifted dramatically over recent decades in regard to these behaviors The book details these developments and offers explanations of why they have occurred Meier and Geis provocative book offers sophisticated in depth discussions of these issues then reviews the conflicting opinions about the proper role of criminal law in dealing with them It is written in straightforward jargon free language providing an ideal background for exploring the facts and views regarding what are often contentious concerns From publisher s description

Ethics in Criminal Justice Sam S. Souryal,2010-10-29 Introducing the fundamentals of ethical theory this text exposes the reader to the ways and means of making moral judgments by covering the teachings of the great philosophers sources of criminal justice ethics and unethical patterns in the criminal justice system It is presented from two perspectives a thematic perspective that addresses ethical principles common to all components of the discipline and an area specific perspective that addresses the state of ethics in criminal justice in the fields of policing corrections and probation and parole What you will learn from this chapter key terms and

definitions and review questions included with each chapter NEW THIS EDITION The fifth edition features expanded discussion of the formula of ethical discretion to enhance students understanding the ethics of decision making in real life situations as well as a new chapter on the ethics of loyalty and loyalties in the workplace A classical approach to the study of ethics in criminal justice Challenges the reader to emphasize and restore ethics in their part of the criminal justice field

*Introduction to Criminal Justice* Carolyn Petrosino,2016-01-06 The selected readings in the text thoughtfully examine the major functions of the criminal justice system and considers some relevant ethical implications By including ethics morality and social justice as foundational concepts this book serves to provide a sensitive and realistic view of the system to students newly introduced to the criminal justice discipline

**Case Studies in Criminal Justice Ethics** Michael Braswell,Larry

Miller,Joycelyn Pollock,2020-12-23 Ethical conflicts rarely involve clear cut choices Decision making in ambiguous circumstances challenges personal values and professional ethics The fog of politics personal bias and past experiences factor into the choices made The goal of this compelling collection of cases is to stimulate reflection about the ethical dilemmas encountered in interactions Thought provoking case studies address police misconduct protests and civil unrest school resource officers questionable prosecutorial practices the challenges of a pandemic for prisons the influence of politics ethnic gender sexual preference bias family conflict immigration perceptions of terrorism and executing someone who may be innocent The experiential approach presents readers with opportunities to think about decisions they might have to make as criminal justice professionals People employed in criminal justice have a great deal of power and discretion which can be used ethically or unethically Introductions to the sections on law enforcement the courts corrections and juvenile justice provide background for analyzing the hypothetical scenarios Case commentaries and questions provoke discussion about potential courses of action and the consequences of various choices

**Crime and Morality, the Significance of Criminal Justice in Post-Modern Culture** J.C. Boutellier,Hans Boutellier,2002-09-30 Over the last twenty five years the significance of criminal justice has dramatically changed In a post modern culture criminal law serves more and more as a focal point in public morality The discovery of the victim of crime can be seen as the marking point by which criminal justice got its central position in the maintenance of social order It is the result of a general victimization of today s morality This ingenious book according to Michael Tonry combines insights from criminology sociology and moral philosophy It is especially inspired by the work of Richard Rorty who stresses the sensibility for suffering as the major source of morality in post modern times It describes the arousal of attention for victims and the development of crime prevention More specifically it analyzes child sexual abuse and prostitution This illuminating book will be an eye opener for theorists in criminology and moral philosophy but will also be an inspiring work for policy makers in the area of criminal justice

**Criminology and Moral Philosophy** Jonathan Jacobs,2022-03-15 The book examines some of the most important forms of normativity and the relation between facts and values in the context of criminological investigation In recent decades numerous criminologists

have argued that criminology needs to be more explicitly concerned with normative considerations and with morality and this book explains the plausibility of that view and of empirically rigorous non positivist study of moral values Hume is often regarded as a key figure in separating facts from values and he was a formidable opponent of moral rationalism Yet in his own moral philosophy he sought to explicate the genuineness and authority of moral considerations without endorsing some implausible positivist interpretations of a putative fact value distinction The significance of Hume's view and its implications for the empirical study of morality are explored The book discusses several layers of normativity explored by criminological investigation including The relation between law and morality the concept of the Rule of Law the normativity of the notion of criminality the justification of sanction the presence and significance of moral considerations This book will be of interest to students taking upper level courses on criminal justice ethics punishment political theory jurisprudence and social philosophy

Ethics for Criminal Justice Professionals Cliff Roberson, Scott Mire, 2009-12-08 Increasing concerns about the accountability of criminal justice professionals at all levels has placed a heightened focus on the behavior of those who work in the system Judges attorneys police and prison employees are all under increased scrutiny from the public and the media Ethics for Criminal Justice Professionals examines the myriad of ethical dilemmas in criminal justice *Case Studies in Criminal Justice Ethics* Michael Braswell, Larry Miller, Joycelyn Pollock, 2011-08-30 Building on the success of the popular first edition the authors provide hypothetical criminal justice scenarios for analysis having found in their experience as teachers that the process adds depth and dimension to the study of justice and ethics This expanded second edition offers ten new cases addressing the intricate process of moral and ethical decision making Focusing on both personal and social context the authors explore true to life situations and encourage readers to think about the possible consequences that could result from the choices they make The case studies provide realistic portrayals of current dilemmas in policing courts corrections and juvenile justice Political and noble cause corruption perjury and judicial prosecutorial misconduct ethnic and gender prejudice and many other social and criminal justice themes are featured Following each scenario are thought provoking questions to facilitate personal reflection and class discussion Each section contains a bibliography of topical books and articles for readers interested in a more in depth treatment of the issues **Morality Stories** Michael Braswell, Joycelyn M. Pollock, Scott Braswell, 2007 What are we willing to sacrifice for the welfare of others Can we face the suffering we have both given and received Is there room for mercy in the heart of justice These and other questions related to the moral depth and ethical inclination of the human condition are explored in the twelve original short stories that complete this book Morality Stories encompasses personal social and criminal justice themes and dilemmas such as Death Row homelessness and prejudice In each story persons are judged as much by the good they omitted to do as by the bad actions they chose to carry out Acknowledging regrets expressing remorse and accepting responsibility are demonstrated in many of the stories as a means of moving toward moral courage and decision making This new edition includes six new stories with discussion questions which address such themes

as the politics of justice and drug abuse in a personal context a crisis of cultural differences along the Mexican border the restorative possibilities for an older ex con the politics of war and the consequences of telling the truth Justice, Crime, and Ethics Michael C. Braswell,Bradley D. Edwards,Belinda R. McCarthy,Bernard J. McCarthy,2023-02-14 Justice Crime and Ethics a leading textbook in criminal justice programs examines ethical dilemmas pertaining to the administration of criminal justice and professional activities in the field This 11th edition continues to deliver a broad scope of topics focusing on law enforcement legal practice sentencing corrections research crime control policy and philosophical issues The book's robust coverage encompasses contentious issues such as capital punishment prison corruption and the use of deception in police interrogation The 11th edition includes new material on the impact of social media on crime myths and political misconduct Law enforcement issues including the George Floyd case and responding to domestic as well as foreign terrorism including the January 6th insurrection in Washington DC are examined The potential ethical implications of Roe v Wade being overturned by the Supreme Court are also explored Emerging issues in corporate misconduct are also discussed including healthcare fraud and corruption as well as crypto currency fraud Students of criminal justice as well as instructors and professionals in the field continue to rely on this thorough dependable resource on ethical decision making in the criminal justice system The Ethical Foundations of Criminal Justice Richard A. Spurgeon Hall,Carolyn Brown Dennis,Tere L Chipman,1999-09-24 Ideal for anyone involved in the study of criminal justice this book acquaints students with the philosophical concepts upon which ethical theory is based It applies these ideas to specific issues and dilemmas within the criminal justice system Its ultimate goal is to acquaint students with basic concepts of ethics in criminal justice and to train the mind to solve moral issues independently The Ethical Foundations of Criminal Justice offers a comprehensive definition of ethics and elucidates its unique language and logic The book explores the major ethical theories with extensive discussion of authorities like Kant Aristotle Mill and Hobbes Chapters investigate normative ethics teleological theories deontological theories and the alternative theories of ethics The author exhibits the practice of these theories in actual matters of rights the law and the behavior of the courts This book addresses ethics in the context of civil liability police corruption and abuse of police power and includes numerous case studies and references to other relevant works Criminal justice majors criminology and law school students and even police academy cadets will find this text an invaluable source of information both for academic studies and real world applications

**Collective Morality and Crime in the Americas** Christopher Birkbeck,2012-12-07 This study examines the ways in which the moral community is talked into being in relation to crime and the objects of concern that typically occupy its attention It maps the imagined moral universe of the virtuous and the criminal and charts the relations between these two groups in the history of the present It examines the calls to action which symbolically endow the moral community with power And it looks at the character and content of collective moralizing The source materials are commentaries about crime and criminal justice appearing in selected newspapers across the Americas

The moral talk found there is stylized routine trivial and occasionally dramatic It looks nothing like the weightier renderings of morality that derive from the reconstruction of a particular ethic or from the systematic probing of values and moral reasoning And its fuzzy offhand unexceptional and frequently unsystematic nature makes it a difficult candidate for explaining either stability or change in crime policies But moral talk has intrinsic importance as the creator and sustainer of an imagined moral community a community that symbolizes the existence and vigor of morality itself and confers a crucially important identity on its self proclaimed members And moral talk reveals inherent intersections between normative empirical and technical discourses highlighting the relationships between morality science and social engineering Thus a prosaic instrumental model of morality is particularly strong in North America but only found in a more abstract form in Latin America where it sits alongside a stirring vision of morality more directly anchored in virtue Research on social problems moral panics and the sociology of morality has largely overlooked the type of moral discourse studied here While emphasizing the culturally contingent nature of the findings the conclusion reflects on their significance for understanding the nature of moralizing the artifacts of talk and the construction of identity

**The Routledge Handbook of Criminal Justice Ethics** Jonathan Jacobs, Jonathan Jackson, 2016-07-01 The enormous financial cost of criminal justice has motivated increased scrutiny and recognition of the need for constructive change but what of the ethical costs of current practices and policies Moreover if we seriously value the principles of liberal democracy then there is no question that the ethics of criminal justice are everybody's business concerns for the entire society The Routledge Handbook of Criminal Justice Ethics brings together international scholars to explore the most significant ethical issues throughout their many areas of expertise anchoring their discussions in the empirical realities of the issues faced rather than applying moral theory at a distance Contributions from philosophers legal scholars criminologists and psychologists bring a fresh and interdisciplinary approach to the field The Handbook is divided into three parts Part I addresses the core issues concerning criminal sanction the moral and political aspects of the justification of punishment and the relationship between law and morality Part II examines criminalization and criminal liability and the assumptions and attitudes shaping those aspects of contemporary criminal justice Part III evaluates current policies and practices of criminal procedure exploring the roles of police prosecutors judges and juries and suggesting directions for revising how criminal justice is achieved Throughout scholars seek pathways for change and suggest new solutions to address the central concerns of criminal justice ethics This book is an ideal resource for upper undergraduate and postgraduate students taking courses in criminal justice ethics criminology and criminal justice theory and also for students of philosophy interested in punishment law and society and law and ethics

**Criminal Justice Ethics** Cyndi Banks, 2018-12-31 Criminal Justice Ethics examines the criminal justice system through an ethical lens by identifying ethical issues in practice and theory exploring ethical dilemmas and offering suggestions for resolving ethical issues and dilemmas faced by criminal justice professionals Bestselling author Cyndi Banks draws readers into a unique

discussion of ethical issues by first exploring moral dilemmas faced by professionals in the criminal justice system and then examining the major theoretical foundations of ethics. This distinct and unique organization allows students to understand real life ethical issues before grappling with philosophical approaches to the resolution of these issues. The Fifth Edition includes updated discussions around ethical issues in policing, corrections, the changing technological environment and its influence on courtrooms, mass imprisonment and the ethical implications of current criminal justice policies. Included with Your Text Give your students the SAGE edge. SAGE edge offers a robust online environment featuring an impressive array of free tools and resources for review, study and further exploration, keeping both instructors and students on the cutting edge of teaching and learning.

## Decoding **Morality In Criminal Justice**: Revealing the Captivating Potential of Verbal Expression
